University pathways
for international students

2018-2019
Start something amazing

Welcome to INTO Queen’s University Belfast, your stepping stone to an internationally-recognised degree from Queen’s University Belfast. Together we have one aim: to give international students like you the opportunity to study at the UK’s 9th oldest university and an institution ranked in the top 1% of universities worldwide.

INTO Queen’s University Belfast is an excellent choice. You’ll study a specialist programme designed exclusively for international students and specifically tailored to the requirements of the University. We’ll help you to improve your English language, adjust to life as a student at Queen’s, and excel in the British education system.

You’ll learn in our centre with modern facilities on the beautiful University campus close to the city centre, before confidently progressing to your degree at Queen’s. There’s no better place to succeed as a student thanks to the University being ranked 1st in the UK in the Russell Group for international students’ overall learning experience.

Choosing to study abroad is a big decision. With INTO Queen’s University Belfast you can relax knowing that you’ll have a fantastic experience and graduate with a qualification that transforms your future.

Choose #INTOQueens and open up a lifetime of opportunities.
Why Queen’s University Belfast?

Study at a world-leading university

Employability at Queen’s

Queen’s graduates have gained employment with:

 Airbus UK
 Diageo
 Marks & Spencer
 Mercedes Benz
 Microsoft
 PwC
 Redbull Technology
 Unilever

Top 200
in the world for graduate employability
(QS Graduate Employability Rankings 2017)

22nd
in the UK for graduate prospects
(QS Graduate Employability Rankings 2017)

Febry, Indonesia
Graduated with BSc (Hons) Software and Electronic Systems Engineering and now working as an Application Developer in Indonesia

"Studying at Queen’s helped me to achieve my dream job. I also learned how to adapt to a new culture by making friends who helped me overcome any challenges."

* The Times and The Sunday Times Good University Guide 2017
** QS World University Rankings by Subject 2017
Queen’s is one of the oldest and most respected universities in the UK, with one of the most modern campuses, and it’s only 15 minutes’ walk from the city centre. This award-winning university offers you the perfect combination for student life.

Established: 1845
As soon as you set foot on the campus of the UK’s 9th oldest university, you will feel inspired by its history. Described by The Sunday Times as ‘Ireland’s Oxbridge’, the quality of teaching you will receive is first-class. With 24 subjects in the top 20 in the UK (The Times and The Sunday Times Good University Guide 2017) you can be sure to receive the best education.

Stunning city campus
The beautiful architecture on campus is home to first-class learning facilities like the McClay Library and IT training rooms. Here new technology blends e-learning with traditional teaching. What’s more, it’s within walking distance of the buzz of Belfast city centre!

International network
Worried about fitting in? With 2,100 international students in a student community of 20,000 you don’t need to be. It’s no wonder Queen’s is a top 25 ‘most international’ university worldwide (Times Higher Education World University Rankings 2015–2016). And when you graduate you’ll join an international network of over 160,000 in more than 120 countries!

World-class research
Queen’s University Belfast is where learning and research come together to create exciting opportunities. As well as being ranked 8th in the UK for ‘research intensity’ (Research Excellence Framework 2014), the University is part of the Russell Group, a collection of the UK’s 24 top-ranking universities – impressive accolades recognised globally.

Maximise your career
Thanks to Queen’s international reputation for producing strong graduates, you’ll have the edge in the careers market. With links to over 3,000 organisations, many degree programmes offer a year in industry. So, if you aren’t sure of your career path, this could help you decide.

Get your CV ready
Be one step ahead and discuss your future with a university careers adviser, search for jobs or register for events when you log on to ‘MyFuture’. Are you interested in gaining employability skills? Why not join a society, volunteer or do work experience to improve your teamwork and leadership skills. You may even receive the Queen’s Degree Plus Award.

“Our international students are highly valued members of the Queen’s University family, enriching our diverse learning community and contributing to all aspects of university life.”
Isabel Jennings, Director of Marketing, Recruitment, Communications and Internationalisation

Take a tour of the campus: www.intostudy.com/queens/university
With a stunning mix of modern design and historical architecture, not to mention fantastic learning facilities, campus life could not be better! Get ready for a truly special student experience.

Your Study Centre
The INTO Study Centre is close to everything on campus from the library to the Students’ Union, so you are part of the University from day one. It’s been designed with you in mind, and it’s where most of your classes during your pathway will take place. On some pathways you can even use University facilities including studios and labs. To get you started the Learning Resource Centre has a range of books and study materials. Whether you need to type up notes or photocopy a book, you can do it all here. You’ll also find private study spaces throughout the Centre. Just head to Café Carberry for a coffee or snack.

Support every step of the way
From the moment you arrive, our Student Services team will help you settle into life in Belfast. Whether you’re opening a bank account, planning a trip, or have an academic question, they’re here to help. For students under 18 we offer extra support and there’s even a 24-hour telephone helpline if you need to speak to someone during out of office hours.

Life on campus
Top specialist facilities
Depending on your pathway you can make use of:
- Film, music and theatre studios
- First Derivatives Trading Room
- Robotics laboratory
- Virtual reality theatre

“One of the best things about being here is studying on such a diverse campus. When people from different cultures come together it can be challenging, but everything is taken care of by the INTO staff, they prepare us for an international life where you fit in anywhere in the world.”
Jenalathaeni, Malaysia
Completed International Foundation and progressed to Finance at Queen’s University Belfast

Support every step of the way
From the moment you arrive, our Student Services team will help you settle into life in Belfast. Whether you’re opening a bank account, planning a trip, or have an academic question, they’re here to help. For students under 18 we offer extra support and there’s even a 24-hour telephone helpline if you need to speak to someone during out of office hours.

Investing in your future
Queen’s has invested over £350 million in the past 10 years to help make your university experience the best it can be.
- Blending a traditional library with the latest technology, everything is under one roof at the McClay Library.
- The Physical Education Centre offers top sport facilities including exercise studios, a swimming pool and even a sauna! Why not join one of the 50+ sports clubs?
- Study, pray or attend events at one of the Chaplaincy Centres that focus on global faith support.

Get involved
There’s more to campus life than just studying. You’ll take part in an orientation programme in your first week which will give you the chance to meet other students. Parties, day trips and events, organized by the Student Services team at the Centre will keep you busy the rest of the year.
Head to the Students’ Union after class and catch up with friends at The Speakeasy bar or Café Krem. Or go to the relax and study area called ‘The Space’. From Mandela Hall, which hosts concerts and club nights, to a bank, a bookshop, and a snack shop – everything you need is at your fingertips.

Hear our students talk about their time at Queen’s:

Discover Belfast

What makes Belfast the ultimate student city? A buzzing social scene in a city that’s small enough to feel like home, but big enough to never run out of things to do. What’s more, it’s been voted one of the most cost effective student cities!

Lively social scene
Historic pubs and cool clubs give Belfast its reputation as one of Europe’s most sociable cities. The Cathedral Quarter is a hive of live music and hot spots like the Duke of York create the Belfast buzz. There’s always something going on in the concert halls and theatres across the city, not forgetting the Students’ Union which hosts DJs, bands and comedy nights.

More money for things that matter
Your money goes further in Belfast. This fashionable regional capital is more affordable than every other major student city in the UK (Mercer 2016). Queen’s was also ranked first for living and accommodation costs (International Student Barometer 2015). This cost effective city allows you to make the most of your studies abroad.

Top international eateries
Thanks to a vibrant international community, you’ll find tasty global cuisine. Botanic Avenue is home to student cafés Boojum (Mexican), Sakusa (Japanese) and Maggie Mays (Irish). On campus, Relish is ideal for international dishes during the day. Or snack on street food or local specialities like soda bread at St George’s Market while listening to local live music.

A shopper’s paradise
Shopping in Belfast offers you the perfect mix of incredible shopping centres, boutiques, and markets – all within minutes of each other. The two shopping giants, Victoria Square and CastleCourt, are full of high street shops, while Dock Market highlights the best of the city’s art and independent fashion.

Exploring the country
As the capital of Northern Ireland, Belfast is a hub for connections. Take a road trip along the beautiful coast to the Giant’s Causeway or for some culture head to Hillsborough Castle where the Royal Family stay when they are visiting. If you’re a film fan Mourne Wall which featured in the Game of Thrones is a must-see!

“The friendliness of the people is what’s most appealing in this small and very walkable city.”
(The New York Times 2015)

Top 5 culture picks
1. The University’s Naughton Gallery and Queen’s Film Theatre
2. Metropolitan Arts Centre (The MAC) home to theatres, galleries and a dance studio
3. Head to the Ulster Hall and the Lyric Theatre for concerts and comedy shows
4. Learn about the historic ship built in Belfast at the Titanic Museum
5. Belfast Waterfront is a stunning architectural addition to the riverfront showcasing the best in cultural talent
Home from home

With a choice of student residences close to the Centre, it’s easy for you to find the perfect place to stay. Independent living in an international community. The perfect combination when you study overseas.

Elms Village
Enjoy living in this modern village style en-suite residence with a shared kitchen. At ‘The Treehouse’ in the heart of the village you can find a restaurant, bar, shop, lounge and a laundry. Everything you need in one place!

Walk to INTO Centre
Laundry facilities
Wi-Fi
On-site staff
En suite bathroom

Catering
Accommodation is self-catered and you can add credit to an ‘Queen’s Easy Pay’ card to buy snacks, drinks and meals sold around campus.

Accommodation guarantee
When you progress you will be guaranteed student residence accommodation during the first year of your degree at Queen’s.

Supporting you
In our residences you’ll find staff available 24/7 to offer support, and we’ll also provide you with a 24-hour helpline telephone number. If you’re under 18, we offer extra support from residential wardens.

Choosing your course

Get university ready with our tailored, academic pathway programmes. You’ll benefit from university-style teaching and the highest academic standards by choosing one of our programmes designed in partnership with Queen’s University Belfast. And when it comes to progressing to your chosen degree, we’ll support you with your university application.

**ENTRY**

**INTERNATIONAL FOUNDATION**
- Completion of 12 years of schooling or equivalent
- 2, 3, 4 or 5 terms
- From IELTS 4.0
- Architecture, Business, Humanities and Social Sciences
- Engineering and Science

**INTERNATIONAL YEAR ONE**
- Completion of A-levels, first year of university or equivalent
- 3, 4 or 5 terms
- From IELTS 4.5
- Accounting, Engineering, Management and Finance

**GRADUATE DIPLOMA**
- Completion of undergraduate degree or equivalent
- 3 or 4 terms
- From IELTS 5.0
- Finance, Management, Social Sciences

**UNDERGRADUATE DEGREE**
- Year 1
- Year 2
- Year 3
- Enter at Year 1
- Graduation

**POSTGRADUATE DEGREE**
- Year 1
- Enter at Year 1
- Graduation

Want to improve your English?

If English is not your first language, you may be worried about studying in a different language. Our Academic English course provides intensive preparation to help you succeed in your academic studies. We'll provide extra support in developing your English language fluency and study skills, helping you to confidently progress to your academic programme.

For more information, see pages 34-35.

Get Ready for English online course

You can also enrol on our online English course, helping you to practicize and improve your English before you arrive in the UK. To find out more, visit: www.intostudy.com/queens/get-ready-for-english

Integrated Degree Programmes

Providing a seamless transition between your university preparation programme and your degree, our Integrated Degree Programmes are perfect if you have the potential to succeed but do not yet meet the requirements for direct entry to a degree at Queen’s University Belfast. During the first year of the programme, you will benefit from higher contact hours, smaller class sizes and ongoing support to help you develop your English. As a single programme of study, you can apply for a single visa for the full duration of your studies. Find out more on pages 16 and 17.

Placement options

Some degrees are available with a year in industry or a year abroad. See the progression table for the programme you wish to study to check if this is an option for your chosen degree.

“We offer a range of quality academic subject and English Language courses designed to equip you with the knowledge and skills needed for successful university study.”

Dr Brian Webb,
Academic Director
Undergraduate degree (Year 2 entry)

- Combine your International Year One and undergraduate degree in one programme
- As a single programme of study, you can apply for one visa for the full duration of your programme
- Choose from 7 degrees at Queen’s University Belfast available as an Integrated Programme

Special features
Year 1 of study plan:
- Improve your English language skills; increase your knowledge of academic theory and develop your understanding of key academic subjects related to your degree.
- Develop the study and research skills that will prepare you for undergraduate study when you move into Year 2 of your study plan.
- Benefit from regular one-to-one tutorial meetings with your professional tutor where you will discuss your achievements, progress and plan for future study.
- Benefit from knowing that you will continue directly to your chosen undergraduate degree in Year 2 of your study plan provided you meet the minimum English language and academic grade requirements.

Year 1 pathway modules
- You can choose from the following seven degrees at Queen’s University Belfast which are available as an Integrated Programme.

<table>
<thead>
<tr>
<th>Degree</th>
<th>Core modules (40 credits)</th>
<th>Specialist modules (60 credits - all modules are 10 credits)</th>
</tr>
</thead>
<tbody>
<tr>

</table>

Specialist modules
- You must achieve a minimum average of 60% overall and passes of grade C with a minimum of grade D in each component in the English Language and Study Skills module, in order to progress to Year 2 of your study plan. For more information on Years 2 and 3 visit: www.qub.ac.uk/Discover/About-Queens/Leadership-and-Study-Skills.

Continuing your studies
You must achieve a minimum average of 60% overall and passes in all ten academic modules in the first year of the programme, as well as grade C with a minimum of grade D in each component in the English Language and Study Skills module, in order to progress to Year 2 of your study plan.

Industrial placements
You may have the opportunity to undertake a 12-month work experience placement between Year 2 and the final year of your degree. This is an amazing opportunity to gain real world engineering experience and improve your technical and professional skills. The placement is optional for all degrees. You will be required to find your own placement, however most Schools have a placement office to support and assist you through the process.

Please note you may need to apply for another visa if you wish to undertake a placement or transfer to the MEng.

Architecture

> Progress to Year 1 of a professionally accredited undergraduate degree
> Prepare your art portfolio during practical workshops

What will I study?
- English Language and Study Skills (30 credits)
- Foundation Mathematics for Engineering and Science (30 credits)
- Principles of Architectural Design and Practice (30 credits)
- Practical Skills for Art Portfolio (30 credits)

Class hours
20 hours per week minimum

Class size
Maximum of 25 students per class for English language teaching

Age requirement
16 years and above

Academic entry requirements
Completion of 12 years of schooling or the local equivalent to meet the same standard with good grades. All students must hold GCSE grade 4/C Mathematics or equivalent.

English language entry requirements
- 3 term: IELTS 5.0 (with a minimum of 5.0 in writing and no less than 4.5 in all other subskills) or equivalent
- 4 term: IELTS 4.5 (with a minimum of 4.5 in writing and no less than 4.5 in all other subskills) or equivalent
- 5 term: IELTS 4.0 (with a minimum of 4.0 in all subskills) or equivalent

If you do not meet the minimum English language requirements you should apply for our Academic English course. See pages 34-35 for more information.

Award and validating body
Successful completion of the International Foundation programme leads to the award of International Foundation Certificate (RQF Level 3) from Queen's University Belfast.

Tuition fees
See page 35 for course dates and prices. For full course information visit www.intostudy.com/queens/courses

Progression options
You can progress to two degrees at Queen’s University Belfast from this pathway. The following table provides information about which modules you need to study and what grades you need to achieve to be guaranteed a place at Queen’s University Belfast in September 2019.

Visit our website or find help with your application contact one of our team or your education counsellor.
Business, Humanities and Social Sciences

- Progress to Year 1 of a wide range of undergraduate degrees
- Maximum nine ACCA exemptions through BSc (Hons) Accounting
- University graduates have found employment with PwC, Microsoft and Unilever

What will I study?

- English Language and Study Skills (50 credits)
- Foundation Business Studies (30 credits)
- Foundation Economics (30 credits)

1 of 4:

- Foundation Politics and International Relations (30 credits)
- Foundation Mathematics for Business, Humanities and Social Sciences (30 credits)
- Foundation Mathematics for Engineering and Science (30 credits)
- Further Mathematics for Engineering and Science (30 credits)*

You will need to earn 120 credits to successfully complete your pathway programme. For detailed module descriptions, please visit: [www.intostudy.com/queens/courses](http://www.intostudy.com/queens/courses)

Special features

- Business students: study real world case studies from the international business environment
- Politics students: examine the history and theory of international relations and apply knowledge to situations including war, conflict and environmental issues.
- Maths students: participate in the Queen’s University Maths competition.
- Continue learning outside of the classroom through interactive field trips, which have included visiting the Northern Ireland Assembly and the Law Courts in Belfast.

Progression options

You can progress to more than 20 degrees at Queen’s University Belfast from this pathway. The following table provides information about which modules you need to study and what grades you need to achieve to be guaranteed a place at Queen’s University Belfast in September 2019.

* Placement your option available. This is compulsory for BSc (Hons) Actuarial Science and Risk Management and BSc (Hons) Finance. Students doing a placement year do not need a work permit if the placement is in the UK. Those who do not do the placement are transferred to an equivalent programme without ‘with Professional Experience’ in the title.
Engineering and Science

Progress to Year 1 of a wide range of undergraduate degrees

Gain hands-on experience through laboratory work in the University’s fully equipped science labs

What will I study?

English Language and Study Skills (30 credits)
Foundation Mathematics for Engineering and Science (30 credits)

2 of 3:

Foundation Biology (30 credits)
Foundation Chemistry (30 credits)
Foundation Physics (30 credits)

You will need to earn 120 credits to successfully complete your pathway programme. For detailed module descriptions, please visit: www.intostudy.com/queens/courses

English language entry requirements
2 terms (ESL 5.0 with minimum of 5.0 in all subskills) or equivalent
3 terms (ESL 5.5) with minimum of 5.0 in all subskills and no less than 4.5 in all other subskills or equivalent
4 terms (ESL 6.0) with minimum of 4.5 in all subskills and no less than 4.0 in all other subskills or equivalent
5 terms (IELTS 4.0) with a minimum of 4.0 in all subskills or equivalent

If you do not meet the minimum English language requirements you should apply for our Academic English programmes. See pages 34-35 for more information.

Award and validating body

Successful completion of the International Foundation programme leads to the award of International Foundation Certificate (PQF Level 4) from Queen’s University Belfast.

Tuition fees

See page 23 for course fees and dates. For full course information visit www.intostudy.com/queens/courses

Degree subject | Requirements | English level
--- | --- | ---
Aerospace Engineering (BEng) | BSc including Mathematics and at least one from Physics (preferred), Biology, Chemistry or Further Mathematics, and GCE Physics grade 4/C or equivalent | Covered with a minimum of grade D in all components

Civil Engineering (BEng) | BBC including Mathematics and at least one from Biology, Chemistry, or Physics, and GCE Physics grade 4/C or equivalent | Be awarded a minimum of grade D in all components
Computer Science (BSc) | BSc including Mathematics or BBC including Physics or Chemistry, and GCE Mathematics grade 4/C or equivalent | Be awarded a minimum of grade D in all components
Electrical and Electronic Engineering (BEng) | BBC including Mathematics and at least one from Physics (preferred), Biology, Chemistry or Further Mathematics, and GCE Physics grade 4/C or equivalent | Be awarded a minimum of grade D in all components
Environmental and Civil Engineering (BEng) | ABD with A in Mathematics, B in Biology, Chemistry or Physics, and GCE Physics grade 4/C or equivalent | Be awarded a minimum of grade D in all components
Food Quality, Safety and Nutrition (BSc) | BBC including Biology or Chemistry (preferably both), and GCE Biology, Chemistry and Mathematics grade 4/C or equivalent | Be awarded a minimum of grade D in all components
Geography (BSc) | BBC and GCE Mathematics grade 4/C or equivalent | Be awarded a minimum of grade D in all components
Human Biology (BSc) | ABD including Biology or Chemistry (preferably both), and GCE Biology, Chemistry and Mathematics grade 4/C or equivalent | Be awarded a minimum of grade D in all components
Marine Biology (BSc) | BBC including Biology and preferably Chemistry, and GCE Chemistry and Mathematics grade 4/C or equivalent | Covered with a minimum of grade D in all components
Mathematics (BSc) | BBC with A in Mathematics | Covered with a minimum of grade D in all components
Mathematics and Computer Science (BSc) | BBC with A in Mathematics | Covered with a minimum of grade D in all components
Mechanical Engineering (BEng) | BBC including Mathematics and at least one from Physics (preferred), Biology, Chemistry or Further Mathematics and GCE Physics grade 4/C or equivalent | Covered with a minimum of grade D in all components
Medical Chemistry (BSc) | BBC with B in Chemistry and a second Science subject, and GCE Mathematics grade 4/C or equivalent | Covered with a minimum of grade D in all components
Microbiology (BSc) | BBC including Biology and preferably Chemistry, GCE Chemistry grade B, and GCE Mathematics grade 4/C or equivalent | Be awarded a minimum of grade D in all components
Pharmaceutical Sciences (BSc) | BBC including Chemistry and at least one from Biology (preferred), Mathematics or Physics, and GCE Biology and Mathematics grade 4/C or equivalent | Be awarded a minimum of grade D in all components
Pharmacy (BPharm) | ABD including Chemistry and two from Biology (preferred), Mathematics or Physics, and GCE Biology and Mathematics grade 4/C or equivalent | Covered with a minimum of grade D in all components
Physics (BSc) | BBC with A in Mathematics | Covered with a minimum of grade D in all components
Product Design Engineering (BEng) | BBC including Mathematics and at least one from Physics (preferred), Biology, Chemistry or Further Mathematics, and GCE Physics grade 4/C or equivalent | Covered with a minimum of grade D in all components
Psychology (BSc) | BBC and GCE Mathematics grade 4/C or equivalent | Covered with a minimum of grade D in all components
Software and Electronic Systems Engineering (BEng) | BBC including Mathematics and at least one from Physics, Biology, Chemistry or Further Mathematics, and GCE Physics grade 4/C or equivalent | Covered with a minimum of grade D in all components
Software Engineering (BEng) | BBC including Mathematics, or BBC including Physics or Engineering and GCE Physics grade 4/C or equivalent | Covered with a minimum of grade D in all components
Structural Engineering with Architecture (BEng) | ABD with A in Mathematics and at least one from Biology, Chemistry, or Physics, and GCE Physics grade 4/C or equivalent | Covered with a minimum of grade D in all components
Zoology (BSc) | BBC including Biology and preferably Chemistry, and GCE Chemistry and Mathematics grade 4/C or equivalent | Covered with a minimum of grade D in all components

Placement option available. This is compulsory for BSc(BEng) Engineering Computer Science. Students doing a placement year do not need a work permit if the placement is in the UK. Those who do not do the placement are transferred to an equivalent programme without Professional Experience in the title.

Master’s option available.

Find the most up-to-date information here: www.intostudy.com/queens/courses

The University caters to the requirements of students from diverse backgrounds and provides a world class education whilst developing every student holistically.

Chastana Sudan
Completed International Foundation and progressed to Aeronautical Engineering at Queen’s University Belfast
Accounting

➢ Progress to Year 2 of a professionally accredited undergraduate degree

➢ Choose from 2 specialist degrees at Queen’s University Belfast

What will I study?
Accounting Information Systems (10 credits)
English Language and Study Skills (20 credits)
Introduction to Financial Accounting (20 credits)
Introduction to Legal Study and Basic Contract Law (10 credits)
Introduction to Management Accounting (20 credits)
Mathematics and Statistics for Business (20 credits)
Principles of Economics (20 credits)

You will need to earn 120 credits to successfully complete your pathway programme.

For detailed module descriptions, please visit: www.intostudy.com/queens/courses

ACCA
maximum nine exemptions
through BSc (Hons) Accounting

=4th
in the UK for
Accounting and Finance
(The Times and The Sunday Times Good University Guide 2017)

Special features
➢ Learn how to use specialist accounting software.
➢ Gain experience analysing statistics and writing detailed financial reports.
➢ 100% progression rate in 2016.
➢ Discuss placement and graduate opportunities with accountancy firms and professional bodies at the annual Accounting Mini Fair.

Progression options
The following table provides information about which modules you need to study and what grades you need to achieve to be guaranteed a place at Queen’s University Belfast in September 2019.

<table>
<thead>
<tr>
<th>Degree subject</th>
<th>Requirements</th>
<th>English level</th>
</tr>
</thead>
<tbody>
<tr>
<td>Accounting BSc (Hons)</td>
<td>50% overall average in academic modules. A minimum of 55% in Mathematics for Statistics and Business; Introduction to Financial Accounting; Introduction to Management Accounting; and Introduction to Legal Study and Basic Contract Law</td>
<td>Grade B with a minimum of grade D in each component</td>
</tr>
<tr>
<td>Economics and Accounting BSc (Hons)</td>
<td>50% overall average in academic modules. A minimum of 55% in Mathematics for Statistics and Business; Introduction to Financial Accounting; Introduction to Management Accounting; and Introduction to Legal Study and Basic Contract Law</td>
<td>Grade B with a minimum of grade D in each component</td>
</tr>
</tbody>
</table>

It doesn’t matter what kind of questions you have about living, making friends, communicating with teachers or academic difficulties; the Support Officer will give you advice to help you best adapt to life here.

Mingyi, China
Completed International Year One and progressed to Economics and Accounting at Queen’s University Belfast

“The opportunities that Queen’s provides us with will really help me to pursue my future career and my dream job.”

Lojayn, Egypt
Currently studying International Year One at Queen’s University Belfast

Hear more from Lojayn: www.myin.to/LojaynAccounting

Find the most up-to-date information here: www.intostudy.com/queens/courses

Start dates
March, June, September and January

Programme length
3 terms or approximately 9 months
4 terms or approximately 12 months
5 terms or approximately 15 months

Class hours
20 hours per week minimum

Class size
Maximum of 16 students per class

Age requirement
16 years and above

Academic entry requirements
Two ‘D’ grades from a UK A-level board, a recognised foundation, first year of an overseas university degree programme or equivalent with good grades.
All students must hold a GCSE grade 6/B in Mathematics or equivalent.

English language entry requirements
3 term: IELTS 5.5 (with a minimum of 5.5 in reading and writing and a maximum of 5.0 in all other sub-skills) or equivalent
4 term: IELTS 5.0 (with a minimum of 5.0 in reading and writing and a maximum of 4.5 in all other sub-skills) or equivalent
5 term: IELTS 4.5 (with a minimum of 4.5 in all sub-skills) or equivalent

If you do not meet the minimum English language requirements you should apply for our Academic English course. See pages 34-35 for more information.

Award and validating body
Successful completion of the International Year One programme leads to the initial award of International Diploma (FHEQ Level 4) from Queen’s University Belfast.

Tuition fees
See page 36 for course dates and prices.
For full course information visit; www.intostudy.com/queens/courses

Want to find out more?

Engineering

- Progress to Year 2 of a wide range of undergraduate degrees
- Choose from five specialist sub-pathways

What will I study?

Core modules
- English Language and Study Skills (20 credits)
- Engineering Mathematics 1 (10 credits)
- Engineering Mathematics 2 (10 credits)

Examples of specialist modules include:
- Drawing and Design (10 credits)
- Fluid Mechanics (10 credits)
- Materials and Manufacture (10 credits)
- Structure and Stress Analysis (10 credits)

You will need to earn 120 credits to successfully complete your pathway programme.
For detailed module descriptions, please visit: www.intostudy.com/queens/courses

Special features
- Gain hands-on experience through laboratory work in the University’s fully equipped science labs.
- Learn from subject lecturers on the programme who are qualified to PhD level.
- Study using industry-standard computer-aided design and simulation tools.
- Have the opportunity to undertake a placement year as part of your degree at organisations including BP Chemicals, Pfizer, and Proctor & Gamble.
- 80% progression rate in 2016.

Progression options

You can progress to more than 20 degrees at Queen’s University Belfast from this pathway. The following table provides information about which modules you need to study and what grades you need to achieve to be guaranteed a place at Queen’s University Belfast in September 2019.

Special features

Benefit from research projects that have been developed by the staff at Queen's University.

Design your own research project, with a literature review, methodology and action plan.

Keep up-to-date with the latest social sciences developments in the field through internationally credited journals.

Attend guest lectures at Queen's to give you access to the latest developments in your subject.

For more information on accepted qualifications please see: www.intostudy.com/selt-alternatives

www.intostudy.com/queens/programmes

Age requirement

18 years and above

Academic entry requirements

Pass in an undergraduate degree in any subject from a recognised institution or

Higher Education Diploma (3-5 years) with acceptable grades in any subject from a recognised institution

English language entry requirements

3 terms (213.3 IELTS) with a minimum of 5.5 in all subskills or equivalent

4 terms (IELTS 5.5) with a minimum of 5.0 in all subskills or equivalent

If you do not meet the minimum English language requirements you should apply for our Academic English course. See pages 34-35 for more information.

Please note that in addition to the IELTS/IELTS, INTO is able to accept other English language qualifications. For more information on accepted qualifications please see: www.intostudy.com/selt-alternatives

For detailed module descriptions, please visit: www.intostudy.com/queens/courses

www.intostudy.com/queens/programmes
Academic English

- An intensive course offering rapid progress of up to one IELTS band per term
- Blend of traditional face-to-face contact and online learning
- A personalised programme designed to meet your individual learning needs, with five tailored study levels

Special features
- Develop the language fluency and confidence you need to progress to university.
- Gain the skills and knowledge needed for examination success.
- Familiarise yourself with subject content related to your future studies to help you prepare for your academic programme.
- 24/7 access to MyINTO, our interactive online learning platform, providing specially-designed, high-quality online materials that reflect what you study in class, giving you the flexibility to study at a time that suits you and study alongside other students outside of class.
- A standardised online assessment, developed in partnership with Cambridge English, to test all four core language skills throughout your studies enabling your progress to be accurately monitored.
- Continue to develop your confidence and fluency outside of the classroom through a range of less formal learning opportunities, including a diverse social programme.
- Improve your language skills pre-arrival with free access to INTO’s Get Ready for English programme.

Rapid progress
The speed at which you develop will depend on how long you study with us, your current level, as well as how engaged you are if you attend all of your classes, complete the exercises set by your teachers and make full use of our digital learning platform, you can expect to progress by up to one IELTS band per term.

Progression to academic study
Once you have reached the level required and met all other requirements, you may progress to your INTO pathway programme. You can also use your test results from Academic English for entry to Queen’s University Belfast.

Get Ready for English programme
Our free online course is a great way to improve your English language skills before you arrive in the UK, or if you are preparing to take an English language test in your home country, the course will help you to practise in your own time.
- Gain a better understanding of your level in listening, speaking, reading and writing.
- Receive instant, personalised feedback on listening and reading tasks.
- Receive feedback on writing and speaking tasks from UK based tutors within 48 hours of submission.
- 24/7 access to all course content through the MyINTO platform, so you can choose when to study and at your own pace.

INTO Giving is a UK registered charity helping educate some of the world’s poorest children.

For every penny you donate, INTO will donate another: penny for penny, pound for pound.

You can show how much you care about helping educate some of the world’s poorest children by choosing an amount you would like to donate and have added to your invoice/financial statement.

Section 4 Student's education history

Please give full details of your current or most recent school, college or university. For visa purposes we must have a full history of your academic background. Please ensure any gaps in your education are fully explained either on the application form or enclosed with your supporting documentation. All official institution transcripts, latest available results or fresco results must be submitted in English.

See page 50 for details of documentation you must submit as part of your application.

I confirm that I have included full details of all of my academic studies and do not have any plans to study further prior to enrolling on my programme with INTO. I understand that failure to provide full information on my academic studies may result in a visa refusal and/or removal from the Centre.

Institution name

Dates of study

Date you received (or will receive) your certificate

Highest educational qualification name

Language of instruction

Section 5 Current English language proficiency

Please list and enter details of your most recent English language test.

Note: students will be assessed upon arrival and study plans will be altered if there is any discrepancy. Please provide a copy of your certificate.

Section 6 Welfare

Do you have any conditions, medical or otherwise, that may impact your time in the UK?

Do you consider yourself to have a disability?

Have you been convicted of a relevant criminal offence?

If you have answered yes to any of the above, please provide full details with your application on a separate sheet.

Section 7 Accommodation options

Do you require accommodation?

Please indicate the building and room type you would prefer by ticking three boxes below to indicate your 1st, 2nd and 3rd choice. Please note that INTO aims to provide the highest preferences requested but, if this is not available, INTO reserves the right to provide or suggest alternative accommodation. Continuing your accommodation early gives you the best chance of getting the building and room type you want.

Elms Village standard single en suite room

Elms Village shared single en suite room

Elms Village standard single room

Elms Village shared single room

Elms Village standard double en suite room

Elms Village standard double room

Section 8 Airport pickup

Flight details including arrival date and flight number should be emailed to ukarrival.details@intoglobal.com as soon as possible. All under 18 students must either book an INTO airport pickup or provide evidence of alternative arrangements.

Section 9 Declaration

I declare that the information I have supplied is correct and that the forms used are complete and correct.

I have read and understood and agree to abide by the Terms and Conditions available at www.intostudy.com/termsandconditions.

I agree to abide by the General and Refund Policy as detailed within our Terms and Conditions.

I agree to pay all tuition and accommodation and extra expense fees as they become due.

I understand that the giving of false or incomplete information may lead to the refusal of my application or cancellation of my enrolment.

I agree that copies of my academic progress and performance reports can be supplied to parents, sponsors or education counsellors without further notification.

I agree that my records and achievements may be used for promotional purposes, without further notification.

Section 10 University Progression Scholarships

For students who perform well at INTO, we can offer a Level 6 qualification in order to progress into a UK university. This pathway is designed to help students achieve the highest degree of English language proficiency without the need for an IELTS test.

Please note that INTO is committed to helping talented and ambitious international students like you, achieve your goal of studying at a world-class university.

We are offering scholarships worth up to £3,000 towards the tuition fees of your university degree. In 2017 the University offered over 100 progression scholarships for INTO students, and we hope to award many more in the future.

Section 11 INTO Giving

Visit our website for full details of our scholarships and how to apply: www.intostudy.com/queens/scholarships

“Since receiving my scholarship from INTO I have been encouraged to have more confidence and motivation to continue my studies.”

Aimee, Vietnam

Centre Scholarships

• You could be eligible for up to £7,500 towards your tuition fees.

• The average amount awarded in September 2017 in scholarships was £2,500.

• Available for all pathways.

• You could be eligible if you have achieved good grades in your studies and have an unconditional offer.

• Send your completed form, along with a personal statement, to into@qub.ac.uk

University Progression Scholarships

Queen's University Belfast is committed to helping talented and ambitious international students like you, achieve your goal of studying at a world-class university. We are offering scholarships worth up to £3,000 towards the tuition fees of your university degree. In 2017 the University offered over 100 progression scholarships for INTO students, and we hope to award many more in the future.

Scholarships worth £179,000 in total towards students’ tuition fees! All students are welcome to apply, regardless of background or financial circumstances.

Faisal, Bangladesh

“Achieving the scholarship has increased my confidence which will boost me to do better in the future.”
INTO QUB 2018-19 BROCHURE

Through innovative partnerships with leading universities, we expand opportunities for higher education, ensuring success and transforming the lives of our students and staff.

Ask INTO

With so many options it can be hard to choose the right university and course for you. Let us help you with our top tips on what you should consider when choosing to study abroad, as well as advice from our teachers and students.
