Welcome to INTO Queen's University Belfast, your stepping-stone to an internationally-recognised degree from Queen's University Belfast.

We give international students like you the opportunity to study at the UK’s 9th oldest university; an institution ranked in the top 25 in the UK for graduate prospects (QS Graduate Employability Rankings 2017).

INTO Queen’s University Belfast is an excellent choice. You’ll study a specialist programme designed exclusively for international students and specifically tailored to the requirements of the University. We'll help you to improve your English language skills, adjust to life as a student at Queen’s, and reach your full potential at a world-leading university.

Classes will be taught at our modern Centre on the beautiful University campus close to the city centre, before you confidently progress to your degree at Queen’s. Thanks to the University being ranked 25th in the world for international outlook (Times Higher Education World University Rankings 2018), there’s no better place to succeed.

Choosing to study abroad is a big decision, but with INTO Queen’s University Belfast you can be confident that you’ll have a fantastic experience and graduate with a qualification that transforms your future.

**Please note:**

CHOOSE INTO QUEENS AND OPEN UP A LIFETIME OF OPPORTUNITIES.
ABOUT THE UNIVERSITY

EXCELLENCE SINCE 1845
As soon as you set foot on the campus of the UK’s 9th oldest university, you’ll instantly be inspired by its history. Queen’s is known as ‘Ireland’s Oxbridge’, and ranking as one of the top 200 universities in the world (QS World University Rankings 2019), you know you’ll receive a great education at Queen’s University Belfast.

STUNNING CITY CAMPUS
The beautiful architecture on campus is home to outstanding learning facilities like the McClay Library and IT training rooms, where new technology blends e-learning with traditional teaching. These excellent facilities are all part of a decade-long £700 million investment, ranking Queen’s #2 in the UK for university facilities (Times Higher Education Student Experience Survey 2017).

INTERNATIONAL NETWORK
Worried about fitting in? With 2,200 international students from 59 different countries currently studying at the University, you don’t need to be. It’s no wonder that Queen’s is one of the top 30 ‘most international’ universities worldwide (Times Higher Education World University Rankings 2018).

WORLD-CLASS RESEARCH
Queen’s University Belfast is where learning and research come together to create exciting opportunities. As well as being ranked 8th in the UK for ‘research intensity’ (Research Excellence Framework 2014), the University is part of the Russell Group: a collection of the UK’s 24 top-ranking research universities, which is an impressive and globally-recognised accolade.

MAXIMISE YOUR CAREER
Thanks to the international reputation Queen’s has for producing strong graduates, you’ll have the edge when it comes to building your career. With links to over 3,000 organisations, many degree programmes offer an industry placement year – so if you aren’t sure of your career path, this could help you decide. Get one step ahead by discussing your future with a careers adviser and searching for jobs and careers events on Queen’s online ‘MyFuture’ platform.

Queen’s is one of the oldest and most respected universities in the UK, with one of the most modern campuses, and it’s only a 15-minute walk from the city centre. This award-winning university offers you the perfect balance for student life.

“Queen’s enjoys an enviable reputation for research intensity, for international collaborations and for commercialisation. When coupled with Queen’s reputation for an outstanding and innovative student experience, the University is ideally placed to inspire students and prepare them for successful careers.”

Professor Ian Greer
President and Vice-Chancellor of Queen’s University Belfast
GET INVOLVED

There’s more to campus life than just studying. You’ll take part in a welcome and induction programme in your first week, where you can make friends, complete your visa requirements, register for classes and more. We’ll help make sure that your first week is smooth, comfortable, and full of lifelong memories. You’ll have the chance to meet other new students, and day trips, parties and excursions organised by the Student Services team at the Centre will keep you busy throughout the year. Queen’s Students’ Union offers all our students support, advice and an opportunity to socialise and make friends. With over 200 clubs and societies, from basketball to music and baking to judo, you’re sure to find one that’s perfect for you.

INVESTING IN YOUR FUTURE

Queen’s has invested over £350 million in developing world-class facilities over the past 10 years. The University is dedicated to making your student experience the best it can, with plans to spend another £350 million in the next decade.

Hear our students talk about their time at Queen’s:
www.myin.to/StudentSupportQUB

“One of the best things about being here is studying on such a diverse campus. When people from different cultures come together it can be challenging, but everything is taken care of by the INTO staff. They prepare us for an international life where you fit in anywhere in the world.”

Jenaisheeni, Malaysia
Completed International Foundation and progressed to Finance at Queen’s University Belfast

TOP SPECIALIST FACILITIES

Depending on your pathway you can use:

- First Derivatives Trading Room
- Robotics laboratory
- Virtual reality theatre
- Film, music and theatre studios

INVESTING IN YOUR FUTURE
Queen’s has invested over £350 million in developing world-class facilities over the past 10 years. The University is dedicated to making your student experience the best it can, with plans to spend another £350 million in the next decade.

INTO Queen’s University Belfast 2019–2020

TOP 5 CULTURE PICKS

• The University’s Naughton Gallery and Queen's Film Theatre
• Metropolitan Arts Centre (The MAC) home to theatres, galleries and a dance studio
• Head to the Ulster Hall and the Lyrical Theatre for concerts and comedy shows
• Learn about the historic ship built in Belfast at the Titanic Museum
• Belfast Waterfront is a stunning architectural addition to the riverfront showcasing the best in cultural talent.

LIVELY SOCIAL SCENE

Historic pubs and cool clubs give Belfast its reputation as one of Europe’s most sociable cities. The Cathedral Quarter is where live music and hot spots like the Duke of York create the Belfast buzz. There’s always something going on in the concert halls and theatres across the city.

COST-EFFECTIVE LIVING

Your money goes further in Belfast, as this fashionable regional capital has been named one of the most affordable major student cities in the UK (Mercer 2018). Queen’s was also ranked as having the lowest student rent in the UK (Natwest Student Living Index 2017). This cost-effective city allows you to make the most of your studies abroad.

LIVERPOOL SCENE

As the capital of Northern Ireland, Belfast is a hub for connections. Take a road trip along the beautiful coast to the Giant’s Causeway, or head to Hillsborough Castle where the Royal Family stay when they visit the area. If you’re a Game of Thrones fan, Mourne Wall is a must-see – it was featured in the series!

EXPLORING THE COUNTRY

There’s always something going on in the lively social scene in Belfast. There is live music and hot spots like the Duke of York create the Belfast buzz. There’s always something going on in the concert halls and theatres across the city.

TOP WORLD CUISINE

Thanks to a vibrant international community, you’ll find tasty and authentic global cuisine across the city, and Botanic Avenue is home to cafes from all over the world, making it the perfect mix of incredible shopping centres, boutiques and markets – all within walking distance of each other.

A SHOPPER’S PARADISE

Shopping in Belfast offers you the perfect mix of incredible shopping centres, boutiques and markets – all within walking distance of each other. The two shopping giants, Victoria Square and CastleCourt, are full of high street shops, while Dock Market and independent fashion.

VOTED THE TOP REGION TO VISIT IN 2018 BY LONELY PLANET

The University’s Naughton Gallery and Queen's Film Theatre.

METROPOLITAN ARTS CENTRE

(Metropolitan Arts Centre (The MAC) home to theatres, galleries and a dance studio.

HEAD TO THE ULSTER HALL AND THE LYNCH THEATRE FOR CONCERTS AND COMEDY SHOWS.

LEARN ABOUT THE HISTORIC SHIP BUILT IN BELFAST AT THE TITANIC MUSEUM.

BELFAST WATERFRONT IS A STUNNING ARCHITECTURAL ADDITION TO THE RIVERFRONT SHOWCASING THE BEST IN CULTURAL TALENT.

WILLOW WALK

A comfortable, private double room which is your space to look after and enjoy. You’ll share a bathroom and kitchen with other students. There’s also a lounge area with a TV, perfect for socialising.

ELMS BT9

Enjoy living in this modern village-style en suite residence with a shared kitchen. At 'The Treehouse' in the heart of the village you can find a restaurant, bar and a community area for socialising and games. Everything you need in one place!

Choosing your course

Prepare for your university degree with our tailored, academic pathway programmes designed in partnership with Queen’s University Belfast. You’ll benefit from university-style teaching on subject-based modules and high academic standards. Then, when it comes to progressing to your chosen degree, we’ll help you make the transition seamlessly.

Undergraduate Degree with International Year One

› Combine your International Year One and undergraduate Engineering degree in one study plan.
› Apply for one visa for the full duration of your study plan.

Modules
You will need to earn 120 credits from the following module options to successfully complete Year 1 of your study plan:

Core modules
- English Language and Study Skills (20 credits)
- Engineering Mathematics 1 (10 credits)
- Engineering Mathematics 2 (10 credits)

Specialist modules
The table below provides information about the modules you will need to study based on the degree option chosen.

BEGIN YOUR CAREER

Please note that course length and start month options may vary depending on the pathway chosen. Please visit www.intostudy.com/queens for full information.

* Prices shown are for the current academic year (01 September 2018–31 August 2019) and are for indicative purposes only. All prices are subject to an increase of up to 4%.

Find Your Entry Level

Completion of 12 years of schooling or equivalent
- International Foundation
  - 2, 3 or 4 terms
  - Jun, Sep, Jan and Feb
  - From IELTS 4.5
  - From £13,995*

Completion of A-levels, first year of university or equivalent
- International Year One
  - 3, 4 or 5 terms
  - Jun, Sep, Jan and Feb
  - From IELTS 4.5
  - From £16,115*

Completion of undergraduate degree or equivalent
- International Graduate Diploma
  - 3 or 4 terms
  - Jun, Sep and Jan
  - From IELTS 5.0
  - From £16,115*

Year 1 of study plan

Class information
- Class size
  - Year 1 of study plan: Minimum of 16 students per class for English language teaching

Class hours
- 24 hours per week minimum

Age requirement
- 18 years and above

English language entry requirements
- IELTS 5.5 (with a minimum of 5.5 in all subskills) or equivalent.

If you do not meet the minimum English language requirements you should apply for a pathway (see page 13) or our Academic English course (see page 10).

Study an Engineering degree at Queen’s University Belfast:

7th in the UK for Electrical and Electronic Engineering
(The Times and the Sunday Times Good University Guide 2017)

4th in the UK for Civil Engineering
(Guardian University Guide 2018)

Top 15 in the UK for Chemical Engineering
(The Times and the Sunday Times Good University Guide 2017)
International Foundation

Architecture - IFA

- Draw and make detailed models in workshop-style classes.
- Learn from a qualified and experienced architect.

What will I study?
You will need to earned 120 credits from the following module options to successfully complete your pathway programme:

- Core modules
  - English Language and Study Skills (30 credits)
  - Foundation Mathematics for Business (30 credits)
  - Foundation Principles of Architectural Design and Practice (90 credits)

- Plus one of the following modules:
  - Foundation Politics and International Relations (30 credits)
  - Foundation Mathematics for Business, Humanities and Social Sciences (30 credits)

Progress to 2 degrees. Find out more online at www.intostudy.com/queens/IFA

Business, Humanities and Social Sciences - IFBHSS

- Choose to specialise in Maths, Business or Politics.
- Learn outside the classroom through interactive field trips.

What will I study?
You will need to earn 120 credits from the following modules to successfully complete your pathway programme:

- English Language and Study Skills (30 credits)
- Foundation Business Studies (90 credits)
- Foundation Economics (90 credits)
- Foundation Mathematics for Business, Humanities and Social Sciences (90 credits)

Progress to 29 degrees. Find out more online at www.intostudy.com/queens/IFBHSS

Engineering and Science - IFPES

- Gain hands-on experience through practical work in the University’s fully equipped science labs.
- A 2 term accelerated programme is available for this pathway.

What will I study?
You will need to earn 120 credits from the following module options to successfully complete your pathway programme:

- English Language and Study Skills (30 credits)
- Foundation Mathematics for Engineering and Science (30 credits)
- Foundation Chemistry (30 credits)
- Foundation Physics (30 credits)
- Further Mathematics for Engineering and Science (30 credits)

Progress to 102 degrees. Find out more online at www.intostudy.com/queens/IFPES

International Year One

Accounting - IYOA

- Develop experience analysing statistics and writing detailed financial reports.
- Learn how to use specialist accounting software.

What will I study?
You will need to earn 120 credits from the following modules to successfully complete your pathway programme:

- Core modules
  - English Language and Study Skills (20 credits)
  - Accounting Information Systems (10 credits)
  - Introduction to Financial Accounting (20 credits)
  - Introduction to Legal Study and Base Contact Law (10 credits)

Progress to 2 degrees. Find out more online at www.intostudy.com/queens/IYOA

Engineering - IYOE

- Choose from a number of specialist Engineering sub-pathways.
- Gain hands-on experience through laboratory work and learn from PhD level subject lecturers.

What will I study?
You will need to earn 120 credits from the following module options to successfully complete your pathway programme:

- Core modules
  - English Language and Study Skills (20 credits)
  - Engineering Mathematics 1 (10 credits)
  - Engineering Mathematics 2 (10 credits)

- B specialist modules for: Aerospace Engineering, Civil Engineering, Electrical and Electronic Engineering and Mechanical Engineering

Progress to 39 degrees. Find out more online at www.intostudy.com/queens/IYOE

Management and Finance - IYOMF

- Learn to analyse case studies and discuss current economic affairs.
- Develop key skills in business reporting, presentation and data analysis.

What will I study?
You will need to earn 120 credits from the following module options to successfully complete your pathway programme:

- Core modules
  - English Language and Study Skills (20 credits)
  - Financial Institutions and Markets (20 credits)
  - Introduction to Financial and Management Accounting (30 credits)
  - Mathematics and Statistics for Business (20 credits)

- Plus one of the following options:
  - Mathematics for Business and Economics (10 credits)
  - The Business Environment (10 credits)

Progress to 5 degrees. Find out more online at www.intostudy.com/queens/IYOMF
Graduate Diploma

Finance - GDF
Study real-world international business case studies.
Attend guest lectures at Queen’s for access to the latest developments in your subject.

What will I study?
You will need to earn 120 credits from the following modules to successfully complete your pathway programme:
- Accounting for Financial Management (20 credits)
- Financial Economics (20 credits)
- Financial and Economic Strategy (20 credits)
- Financial Market Theory and Investment (20 credits)
- English Language Study Skills (40 credits)
- Analysis (20 credits)

Progress to 6 degrees. Find out more online at www.intostudy.com/queens/GDF.

Management - GDM
Analyse and interpret the practices of global businesses.
Continue learning outside of the classroom through interactive field trips.

What will I study?
You will need to earn 120 credits from the following modules to successfully complete your pathway programme:
- Business in an International Context (20 credits)
- Business Management - Environment, Theory and Practice (20 credits)
- Exploring Culture (20 credits)
- English Language Study Skills (40 credits)
- Empirical Enquiry and Critical Thought (20 credits)

Progress to 19 degrees. Find out more online at www.intostudy.com/queens/GDM.

Social Sciences - GSSS

Keep up-to-date with the latest developments in Social Science by attending guest lectures at the University.

What will I study?
You will need to earn 120 credits from the following modules to successfully complete your pathway programme:
- Exploring Culture (20 credits)
- Foundations of Social Science (20 credits)
- Research Design (20 credits)
- Empirical Enquiry and Critical Thought (20 credits)
- English Language Study Skills (40 credits)

Progress to 16 degrees. Find out more online at www.intostudy.com/queens/GSSS.

Academic English

Intensive course offering rapid progress of up to the equivalent of one IELTS band per term.
Blend of traditional face-to-face contact and online learning.

Course features
- Improve your reading, writing, speaking and listening skills, and learn to communicate effectively in English.
- Grow your vocabulary through discussions on current affairs and study real-world subjects to make your learning come alive.
- Develop the fluency and confidence you need to progress to further study.
- Gain the skills and knowledge needed for examination success.
- A blended learning approach offers you the best of traditional classroom teaching which is combined with online content which you’ll access both in and outside of class.
- 24/7 access to ‘MyINTO’, our interactive online learning platform, gives you the flexibility to study at times that suit you and engage with other students outside class.
- A standardised online assessment developed in partnership with Cambridge ESOL to monitor progress through your course.
- Develop your confidence and fluency outside the classroom through a range of less formal learning opportunities, including a diverse social programme.
- Improve your language skills pre-arrival with free access to INTO’s Get Ready for English programme.

Pre-sessional English

A course designed to improve your English language skills to the level required by your chosen degree.
Intensive language and study skills taught by experienced teachers will prepare you for living and studying at Queen’s University Belfast.
Learn how to give presentations on different areas of academic interest and enhance your vocabulary related to your degree.

Course features
- If you’re academically qualified, hold an offer from Queen’s University Belfast and need to improve your English language level before starting your degree, this short 4-10 week course is ideal for you.
- Learn alongside students who will be studying the same – or similar – subjects at the University, with teaching and assessments that are tailored to the requirements of university study.
- Understand contextual study skills, academic English, how to give presentations and practical skills to prepare for extensive graduate programmes.
- Understand contextual study skills, academic English, how to give presentations and practical skills to prepare for intensive graduate programmes.
- A standardised online assessment developed in partnership with Cambridge ESOL to monitor progress through your course.
- Develop your confidence and fluency outside the classroom through a range of less formal learning opportunities, including a diverse social programme.
- Improve your language skills pre-arrival with free access to INTO’s Get Ready for English programme.

English language entry requirements
5.0-5.5 (with a minimum of 5.0 in all sub-skills) or equivalent
* Depending on course length and progression programme requirements.
Successful INTO alumni

We have an excellent success rate, giving you a great chance to progress to the next stage of your journey. Our latest progression results demonstrate just how well our students achieve on their INTO programme...

83% Passed
of which 94% Eligible to progress

The University caters to the requirements of students from diverse backgrounds and provides a world class education whilst developing every student holistically.
— Chun Yin, Hong Kong
Graduated with BEng (Hons) Mechanical Engineering from Queen’s University Belfast with First Class Honours and is now working as an Assistant Engineer in Hong Kong

“I would recommend INTO to students who really want to progress to university. I learnt what to expect in the UK before beginning lectures and seminars at Queen’s University Belfast.”
— Chung Hei, Hong Kong
Completed International Foundation and progressed to BSc Business Management at Queen’s University Belfast

Progression degree overview table

There are more than 170 progression degree options at Queen’s University Belfast. You can progress to any of these from one of our INTO Queen’s University Belfast pathway programmes. Below is a selection of some of the most popular. See pages 11-14 for more details on the pathways.
