WELCOME

Thank you for considering joining us at Queen’s University Belfast for your undergraduate studies.

Queen’s is an exciting place. A place that delivers both local and international impact. This makes it a global top 200 university*, based in Belfast, a modern capital city known for its welcome, accessibility and affordability as well as being a vibrant hub for the creative and tech sectors.

Belfast is also a great place to live and work and we are immensely proud of what our city and university offers our international students.

From the day you arrive at Queen’s, you will be part of a world-class international university built on a foundation of exceptional teaching, cutting-edge research, innovation, collaboration and engagement.

We develop global leaders, so that our students can compete for their dream career, wherever in the world it may take them.

Links with over 250 partner institutions across the world, and ongoing collaboration with over 3,000 local, national and international employers, will help you develop and make an impact on the world.

You will also experience our world-class campus. With some £700m invested in the student experience – we’re invested in you.

We look forward to welcoming you and ensuring your time here is truly wonderful and exciting, an inspiration for everything you do.

WE’RE A RUSSELL GROUP UNIVERSITY

We’re ranked in the top 200 universities in the world, so a degree from Queen’s is something to be proud of.

(CS World University Rankings 2019)

THE NINTH OLDEST UNIVERSITY IN THE UK*

Founded in 1845, Queen’s is one of the oldest and most respected universities in the UK, known as Ireland’s Oxbridge, and similar to Ivy League universities in North America.

(*Complete University Guide 2019)
WHAT OUR INTERNATIONAL STUDENTS SAY

‘I FELT SUPPORTED FROM THE START’

“The communication from the staff at Queen’s was extremely quick and helpful right from my first email inquiry. None of the other UK universities I visited offered the same level of facilities and support that is available to students at Queen’s. The friendly and helpful staff made me feel comfortable straight away and the activities during Welcome Week made it easy to meet people and made the transition to my new life in Belfast much easier. Queen’s provides a world-class student experience.”

Saad Almohammed, LLB (Hons), LLM, PhD Researcher, from Kuwait

‘QUEEN’S FELT LIKE HOME IN NO TIME’

“You are guaranteed a warm welcome at Queen’s, which starts with a meet-and-greet at the airport. During International Welcome Week, there are lots of opportunities to meet new people, with different activities ranging from competitions to pub crawls and traditional dancing. The Buddy scheme means you can discover this new place together with other international students. The support network at Queen’s made the transition to life in Belfast easy, and Queen’s felt like home in no time.”

Maria Luiza Amadeu Henriques dos Santos, LLM International Business Law, from Brazil

‘THE PEOPLE ARE MUCH NICER HERE’

“I really enjoy studying at Queen’s and I have found the staff to be very helpful and supportive to me as an international student. Belfast is better than other large UK cities, like London, as it is quieter and allows me time to focus on my studies.”

Yaqi Yang, BSc Environmental Management, from China

‘Belfast is best’

“I really enjoy studying at Queen’s and I have found the staff to be very helpful and supportive to me as an international student. Belfast is better than other large UK cities, like London, as it is quieter and allows me time to focus on my studies.”

Yaqi Yang, BSc Environmental Management, from China

GETTING HERE

BY PLANE
Belfast has two airports, George Best Belfast City Airport, and Belfast International. Flights from Belfast to the rest of the UK take less than an hour, and are reasonably priced*

BY BOAT
The two main Belfast routes are from Liverpool and Cairnryan. An alternative route runs from Holyhead to Dublin, with excellent motorway connections between there and Belfast.

BY BUS AND TRAIN
Queen’s is a five minute walk from Botanic Train Station. A connection to Dublin is just one stop away, via Belfast Central Station. Coach and bus services arrive at Great Victoria Street, which is also connected by rail.

BY CAR
Queen’s is located in south central Belfast and as such is close to both Northern Ireland’s main motorways, connecting it easily with the rest of Ireland.

*Based on average flight times from 6 major UK cities
AFFORDABLE
Belfast has the lowest cost of living: £5000 per annum cheaper than London (Which? University 2018) – and the lowest student rent (NatWest Student Living Index 2018) of any city in the UK.

*Northern Ireland has the lowest student cost of living in the UK (Which? University 2018)

BLACK BOX
Belfast is a city of artists, poets, writers and musicians who are celebrated in arts venues, such as the MAC and the Black Box.

DINOSAURS
The collections in the Ulster Museum include dinosaurs, historical artefacts, works of art, and an Egyptian mummy.

ENTERTAINMENT
Belfast hosts a range of events and urban festivals running the gamut from music, theatre, dance, film and comedy. Highlights include Culture Night and Belfast Vital Festival.

FOODIE PARADISE
Food is a big deal in Belfast with a mix of cool new pop-ups and Michelin-starred staples. The city was recently voted one of the Top Place to Travel for Food (National Geographic 2016).

GATEWAY
Belfast is the gateway to the rest of Northern Ireland and has been lauded by Michael Palin for having the world’s most beautiful railway.

IN THE NEWS
Belfast is one of the UK’s most buzzed-about cities, it was voted the Number One Region in the World to visit in 2018 by Lonely Planet.**

IN THE NEWS
Belfast is one of the UK’s most buzzed-about cities, it was voted the Number One Region in the World to visit in 2018 by Lonely Planet.”

JOKE
A city famed for its humour, you can catch regular stand-up comedy nights at Belfast’s Empire Comedy Club, where Queen’s alumnus Paddy Kielty’s career began.

KTP
Queen’s is currently the UK’s leading university for Knowledge Transfer Partnerships (KTP), generating many millions in profits for the Northern Ireland economy!

Linen Quarter
Just south of the City Hall, a mix of bars and cool eateries occupy the buildings of the old linen mills.

MUSIC
From the punk scene in the 1970s to the MTV Europe Music Awards in 2011 via traditional folk sessions, Belfast has passionately embraced the uniting power of music.

Top Place to Travel for Food (National Geographic 2016)

CULTURE
A capital with a culture of its own, immerse yourself in the best of Belfast’s clubs, cuisine, culture and arts.

HOLLYWOOD HOTSPOT
Northern Ireland and the Titanic Studios have become internationally renowned as a film location, most famously for HBO’s Game of Thrones.

NORTHERN IRELAND’S LEGENDARY BEAUTY

Whether you’re on a pilgrimage to the famous Game of Thrones filming locations or you fancy exploring caves, castles and coastline, you’ll find it all within an hour’s drive of Belfast.

The world is catching on to the secret that locals have always known: Northern Ireland is one of the most beautiful places on the planet. Just ask the experts at Lonely Planet who recently lauded Belfast and the Causeway Coast as the number one region in the world (2017). From golden beaches to lush forests, as a student in Belfast, the region’s most breath-taking landscapes will be right on your doorstep.

Spend your downtime testing your nerve crossing the death-defying Carrick-a-Rede rope bridge. Alternatively, scale the heights of our tallest peak, Slieve Donard, set in the picturesque Mourne Mountains – an Area of Outstanding Natural Beauty and the inspiration for CS Lewis’ magical world of Narnia.

You can also follow the 22-mile Mourne Wall, featured in Game of Thrones. And if you’re a fan of the hit HBO show, you can’t afford to miss a trip to the Dark Hedges. This twisted avenue of light and shade is one of Northern Ireland’s most photographed natural phenomena, and doubles as the King’s Road in the series.

“I’d always heard about how beautiful the landscape was in Northern Ireland, but I never imagined it would be so close to University that I could almost reach out and touch it. Expect a breathtaking sight at every turn, whether it be mountains, beaches or forests. What made me fall in love with Northern Ireland even more is the fact that you don’t have to go very far to indulge in some green space. The Botanic Gardens, the towpath along the Lagan River, and the parks in the city are all walking distance from campus. Belfast was the perfect choice of city for me: it is small enough to feel like home, but big enough to hold a new adventure every day.”

Farah Hamdan, BSc Environmental Management, from Lebanon
WHY QUEEN’S?
Queen’s University is a world-class institution combining excellent academic standards with a focus on employability to give our graduates the edge in the global job market. Here are some of the reasons you should join the leaders of tomorrow.

OUR EXCELLENCE
BY THE NUMBERS

WE’RE A RUSSELL GROUP UNIVERSITY
We’re ranked 180 in the world, so a degree from Queen’s is something to be proud of.
(QS World University Rankings 2019)

YOU’LL BE FULLY SUPPORTED
We offer a network of support services, such as the Student Guidance Centre, and a range of generous bursaries and scholarships to help you get the most from your time at Queen’s.

OUR RESEARCH HAS GLOBAL IMPACT
Over 75% of research activity at Queen’s is judged to be internationally-excellent or world-leading. Our research informs our courses, meaning that what you learn is as relevant as it can be.
(REF 2014)

YOU’LL BE TAUGHT BY WORLD-LEADING ACADEMICS
We’ve won the Queen’s Anniversary Prize, which recognises universities and colleges that have demonstrated excellence, innovation, impact and societal benefit, on six occasions.

WE’RE IN THE UK’S BEST CITY
Queen’s is at the social and cultural heart of Belfast, named the best region in the UK to visit in 2018 (Lonely Planet, 2017), and the lowest student cost of living in the UK.
(Which? University, 2018)

YOU’LL FIND A PLACE TO BELONG
There are over 215 student-led clubs and societies on campus; while a £20 million sports investment has helped establish our reputation as one of the premier sporting universities in Ireland and the UK.
(Guardian University Guide 2016)

ABOUT OUR FACULTIES

FACULTY OF ARTS, HUMANITIES AND SOCIAL SCIENCES

The Faculty spans traditional humanities and social sciences to innovative and cutting-edge areas in Creative Arts and professional studies and has a range of undergraduate and programmes to make a difference locally, nationally and internationally. It has five faculty schools: Queen’s Management School; Law; Social Sciences, Education and Social Work; Arts, English and Languages; and History, Anthropology, Philosophy and Politics.

FACULTY OF ENGINEERING AND PHYSICAL SCIENCES

The Faculty of Engineering and Physical Sciences spans disciplines shaping the future and leading advances in science and technology. With an international mix of staff and students that make up a vibrant community, the faculty is home to innovative and globally significant research and teaching. It has six faculty schools: Chemistry and Chemical Engineering; Electronics and Electrical Engineering; Mathematics and Physics; Mechanical and Aerospace Engineering; Natural and Built Environment; and Psychology.

FACULTY OF MEDICINE, HEALTH AND LIFE SCIENCES

Globally recognised excellence in education and research informs the faculty’s programmes all designed to produce the next generation of leaders. With an exceptional track record of learning and research our undergraduates study and learn in an exceptional environment. It has four faculty schools: Medicine, Dentistry and Biomedical sciences; Biological Sciences; Pharmacy; and Nursing and Midwifery.
Step inside your £700 million classroom. You’ll benefit from substantial investment in our teaching facilities that has developed our historic campus into an innovative learning environment for our exceptional students and staff.

**OUR EVOLVING CAMPUS**

The new £20 million School of Law, including a Moot Court Room, and The Herbert Smith Freehills Student Hub, exemplifies Queen’s commitment to the future-thinking needs of its students. Further along the campus skyline, the exciting new facilities and space in the colourfully redeveloped Computer Science Building mark our recognition of the importance of this subject to the global market. It features computer labs, project spaces, breakout rooms and a three-floor Student Hub.

**EXPLORING OUR WORLD-CLASS FACILITIES**

The Computer Science Building

The Graduate School

The McClay Library

The Main Site Tower

**BOARD THE ‘STARSHIP FOR SCHOLARS’**

Designed by the same architects behind the libraries at Yale and Harvard, it’s little wonder Nobel laureate Seamus Heaney dubbed the McClay Library a ‘starship for our scholars.’ Blending the best features of a traditional library with the latest smart technology, you’ll have access to extensive book and journal collections, reader spaces, temperature-controlled computer workstations and group study rooms.

**A CONNECTED CAMPUS**

The Wireless Campus Project is a £193 million investment programme providing a world-class service of connectivity across the University through more than 2,000 access points. It enables you to have anytime, anywhere access to the resources you need.

**NEW STUDENT HUBS**

The School of Biological Sciences is spread over five floors and is designed around a central atrium which acts as a social hub. We’re also giving the School of Mathematics and Physics a new home, featuring a dedicated space for teaching, with new lecture and group-study rooms, a student social area, computer facilities and a state-of-the-art Physics laboratory. The new Wellcome-Wolfson Institute for Experimental Medicine is located next to the Centre for Cancer Research and Cell Biology (CCRCB) and is designed to enhance its internationally-recognised excellence in education and research.

**SUPPORTING LANGUAGE LEARNING**

Our Language Centre provides you with the opportunity to acquire skills in a foreign language and improve your career prospects through our advanced multimedia facilities.

**OUR NEW STUDENT CENTRE**

Plans are underway to build a world-class Student Centre, including a new Students’ Union facility that will significantly enhance the Queen’s student experience. The new centre is due to open in September 2021 and will consolidate all student services under one roof, and will create a ‘heartbeat’ for life on campus.
JOIN THE CONVERSATION

The Students’ Union offers a range of support services including volunteering and enterprise opportunities, clubs and societies, advice, entertainment, bars, shops and much more. Our elected Student Officers are here to represent you and campaign to make the changes you want happen.

FIND A HOME FROM HOME

Queen’s Quarter is one of the most diverse parts of Northern Ireland, with international supermarkets, halal grocers and restaurants within a 10-minute walk of the main campus. We regularly host multicultural events for all our students, celebrating cultures and traditions from around the world and marking key dates, such as Chinese New Year celebrations.

THE BEST OF STUDENT LIFE

Queen’s Students’ Union is rated among the top in the UK and is the largest single campus SU in Ireland. Run by students, for students, this social and entertainment space will ensure your time in Belfast is enriching, rewarding and fun.

MAKE NEW FRIENDS

Meet new people, have fun and make the most of your time at Queen’s by joining one of our 200+ clubs and societies. There’s a wide range to suit everyone – whatever your level of fitness. We are open from 6.30am to 6pm on weekdays and 9.00am to 6pm on weekends.

ENRICH YOUR LIFE

Queen’s campus is home to Northern Ireland’s premier art house cinema, the Queen’s Film Theatre, and the vibrant and exciting Naughton Gallery, the Seamus Heaney Centre for Poetry and the Brian Friel Centre for Theatre Research. Find out more at qubsu.org

SPORTING ACTION

Our world-class indoor and outdoor sporting facilities will help you lead a healthy, active lifestyle, and are ideal for recreational, competitive or high performance athletes. We’ve invested over £20m in recent years improving our state-of-the-art facilities so there are even more opportunities for you to work out and play. There are over 50 sporting clubs, giving opportunities for students of all abilities to compete, socialise or get active, and our campus-wide sports programme encourages participation in a range of activities throughout the academic year.

We host a weekly ParkRun at our Outdoor Sporting Facility at Upper Malone, as well as our annual Deep RiverRock 5K race, which attracts thousands of recreational runners. We have also recently launched an Active Campus initiative with sporting activities and programmes to suit everyone – no matter what your interests.

QUEEN’S SPORT MEMBERSHIP

Located next to the main campus you will find the hub of Queen’s Sport - the Physical Education Centre (PEC). Here you will have the opportunity to exercise using state-of-the-art fitness and exercise facilities. Guided by knowledgeable and friendly staff, we can get you started and keep you going, whatever your level of fitness. We are open from 6.30am to 6pm on weekdays and 9.00am to 6pm on weekends.

Our Students’ Union is ranked 7th in the UK for Student Experience (The Times Higher Student Experience Survey 2018)

- From £125pw
- Safe and welcoming!

ELMS BT9
- Residential (modern, comfortable and secure)
- 50 three-storeyed purpose-built blocks; 10-11 bedrooms per floor with shared common room and kitchen
- Standard, premium and majority (70%) en suite rooms
- 15 minutes walk to campus
- 25 minutes walk to city centre
- From £100pw
- Quiet living, no alcohol and single sex options
SAFE AND SOCIAL

Accommodation is offered on a self-catering basis and our campus communities are designed to make you feel at home and help you make friends. From the moment you arrive, we’ll do what we can to manage and support your living needs. This includes a Residential Life programme which features events and pastoral care, 24/7 safety and security, as well as maintenance support. Our Residential Life Coordinators also offer support, help and guidance on settling into student life in Belfast.

HOW TO APPLY FOR ACCOMMODATION

Register online and complete an application form as soon as you have received a conditional or unconditional offer to study at Queen’s. Information on how to apply will be sent automatically to all offer holders and you are advised to apply even if Queen’s is your insurance choice. Applications open in January 2019.

AFFORDABLE PRIVATE RENTALS

If you decide to move on from Queen’s Accommodation, there are a range of student rental options in the city – all within walking distance of campus. What’s more, as Belfast has the lowest student rent in the UK*, you’re sure to find something to suit your budget. The website nihestudentpad.co.uk is recommended by the Students’ Union to help students search for private rental accommodation.

SCHOLARSHIPS

Queen’s believes in rewarding hard work and excellence. Each year, the University announces over £1.5m worth of scholarships for talented, fee-paying International students.

Award: International Office Undergraduate Scholarship
Eligibility: All new International students enrolling onto a full-time undergraduate programme (some exclusions apply)
Award: Award of £2,500 (fee rate 1) or £3,000 (fee rate 2) on year 1 exclusively
Application Process: No separate application required – apply to study at Queen’s and you will be automatically assessed

Award: Vice-Chancellor’s International Attainment Scholarship – Undergraduate
Eligibility: Two new International students enrolling onto a full-time undergraduate programme (some exclusions apply)
Amount: Full tuition fees paid for all years of programme [max. 4 years]
Application Process: Application required – apply online

Study Abroad:
- £7,200 for 2019-20 (US $9,307)

One Academic Year:
- £12,554.5 for 2019-20 (US $16,237)

An approximate equivalent is shown at the following rate (September 2018) US$1.29 ≈£1

For a full list of terms and conditions, please refer to: go.qub.ac.uk/intlschol

EARLY BIRD AND LOYALTY REWARDS

Award: Early Bird Reward
Eligibility: All new International students enrolling onto a full-time degree programme, who hold an unconditional offer, and who pay fees in full by 30 June 2018 (some exclusions apply)
Amount: 10% discount on gross fees – may be used in conjunction with other scholarships
Application Process: No application necessary, automatically awarded to those who meet the criteria

EARLY BIRD REWARD IS OPEN TO ALL NEW STUDENTS!

LOYALTY SCHOLARSHIP AWARDED TO ALL STUDENTS PROGRESSING BETWEEN PROGRAMME LEVELS

£1.5M IN SCHOLARSHIPS IS AVAILABLE TO INTERNATIONAL STUDENTS EACH YEAR
INTO Queen’s University Belfast provides a range of academic and English language courses to help prepare International Students for future study at Queen’s. At the INTO Queen’s Centre, you’ll find modern facilities, an inspiring learning environment and staff dedicated to the highest standards of teaching and personalised student support.

INTO English Language Courses
INTO Queen’s offers a range of courses that are specially designed for international students, helping them to improve their English language and study skills to the level required by their chosen course.

Academic English
With start dates in April, June, September and January each year, Academic English offers students a flexible way to improve their IELTS score by up to one point per term.

Pre-Sessional English
Pre-sessional English courses of four, six or 10 weeks are available for students who hold offers from Queen’s University and need to improve their standard of English before commencing their degree programmes. Your course length will depend on your current language level and degree requirements. Depending on your level of English, you will receive a Confirmation of Acceptance for Studies (CAS), which covers the Pre-sessional English course only, or a joint CAS, which covers both the Pre-sessional English course and your degree programme. You can also apply online at go.qub.ac.uk/INTOapply.

In-Sessional
International students at Queen’s are entitled to attend a tuition-free, two-hour-per-week, semester-long In-Sessional English language course at the INTO Queen’s Centre. A small charge is applicable to cover books and materials.

INTO Academic Preparation Programmes
The International Foundation provides a pathway to the first year of a wide range of undergraduate degrees at Queen’s, subject to successful completion of the programme and meeting the degree requirements. There are three pathways available:
• Architecture
• Business, Humanities and Social Sciences
• Engineering and Science

Graduate Diploma
The Graduate Diploma is a full-time academic programme that prepares you for direct entry to selected Master's courses at Queen’s University Belfast. There are three pathways available:
• Finance
• Management
• Social Sciences

Applying to INTO Queen’s
To apply to INTO Queen’s, simply visit: intostudy.com/en-gb/apply and follow the step-by-step explanation on how to apply online or offline.

International Year One
The International Year One programme, leading to the award of the International Diploma, provides international students with a high-quality education equivalent to the first year of an undergraduate degree at a UK university. Subject to reaching the required grades, students can go directly to the second year of a relevant undergraduate degree.

There are four pathways available:
• Accounting
• Engineering
• Management and Finance
• Integrated International Year One in Engineering*

*Combines the International Year One and degree in one programme, students only need to apply for one visa for the duration of their study.

Graduate Diploma
The Graduate Diploma is a full-time academic programme that prepares you for direct entry to selected Master’s courses at Queen’s University Belfast. There are three pathways available:
• Finance
• Management
• Social Sciences

“Friendly and welcoming”
“Thanks to the welcoming and friendly environment at INTO, I’ve made friends from all over the world, and achieved success, both academically and personally.”

Safiyeh Heidarzadeh, Queen’s alumna, from Iran

qub.ac.uk
APPLYING TO QUEEN’S

UNDERGRADUATE

Most undergraduate students make their applications through UCAS (Universities and Colleges Admissions Service). The UCAS application deadline for International Students is 30 June 2019, except for those applying for Medicine and Dentistry who should apply by 15 October 2018. Applicants should apply online at: ucas.com

A Direct Entry Application form can be used by international applicants who wish to apply directly, and only, to Queen’s or who have been asked to provide information in advance of submitting a formal UCAS application. The direct application must not be used to apply to Medicine or Dentistry.

POSTGRADUATE

Postgraduate applicants should use the Online Application System for the majority of taught courses and research programmes at Queen’s. For full details of the Undergraduate and Postgraduate application procedures, please visit: go.qub.ac.uk/Intapply

ENGLISH LANGUAGE REQUIREMENTS

Applicants will normally need to demonstrate a minimum level of proficiency in English language equivalent to an overall score of IELTS Academic 6.0, or TOEFL 80 (internet-based test); however, many courses have higher requirements. Please note that minimum scores will be required in each component of the test.

More information about acceptable English language qualifications can be found at: go.qub.ac.uk/EnglishLanguageReqs

Guidance regarding the acceptability of qualifications from other countries is available at: go.qub.ac.uk/Yourcountry

For full details of programme entrance requirements, see the Queen’s online Course Finder: go.qub.ac.uk/coursefinder

ADMISSIONS AND ACCESS SERVICE

The Admissions and Access Service processes the vast majority of applications to the University. We have a team dedicated to handling applications from International Students, who can provide answers to any queries you might have about entry requirements and how to apply. Please see: go.qub.ac.uk/admissionsservice

VISA AND IMMIGRATION

Visa and immigration requirements can sometimes seem intimidating; Queen’s provides a high level of support and advice on UK student visas directly for you. Working within the Office of the Immigration Services Commissioner’s code of standards (OISC), the International Student Support team is here to help you make a smooth transition from your home country to life in Belfast.

For information on how visa requirements are calculated, as well as Points Based System (PBS) and your Confirmation of Acceptance for Studies (CAS) number, please see: go.qub.ac.uk/intvisa

Further information is also available at: gov.uk/visas-immigration

EXPLORING EUROPE

During your time at Queen’s, we hope you will take the opportunity to travel to other countries. You may decide to do this during vacation periods for tourist purposes, or you might go on a field trip with your School. Travelling will widen your knowledge and understanding of other cultures and enhance your experience in the UK. If you will be travelling, you may not need a separate visa (depending on your nationality). For more information on travelling within Europe, including visa requirements, visit the UKCISA website here: go.qub.ac.uk/Traveleurope

MEET QUEEN’S STAFF

Our International Office staff attend educational events in several countries and are available for admissions advice and guidance. For more information, please contact the international office: qub.ac.uk/International/Contact-us
The University welcomes applications from international students, and details about the acceptability of qualifications from other countries are available on the University’s website at: go.qub.ac.uk/yourcountry.

Our degree courses are listed alphabetically in the following tables and include the minimum grades required in terms of A-levels. Alternative international qualifications awarded by a recognised organisation may be accepted in lieu of A-levels. Prospective applicants should check the most up-to-date course requirements before applying. For full details of our entry requirements for each course, please refer to qub.ac.uk/courses.

Where alternative A-level grades are listed in Column 6, specific subject requirements may apply for the lower offer. It should be noted that some courses require specific A-level subjects and grades and/or specific GCSE subjects and grades (or equivalent qualifications). Please refer to the Course Finder on the University’s website, which will have current grade and subject requirements.

Courses marked with a ‘P’ offer a placement option. Students taking the placement will have an additional year added to their course. Those participating normally receive remuneration.

Column 3 shows the duration of the course in years. Courses involving the study of a foreign language as a Single, Major or Joint Honours subject normally require a year to be spent in the appropriate country (or countries, in the case of Joint Honours).

This undergraduate guide is prepared well in advance of the 2019 academic year to which it relates. Therefore, the entry requirements stated here are for guidance only.

Further details about selection procedures are available in the individual degree programmes listed at qub.ac.uk/courses under ‘Entry Requirements’. This includes a section on ‘How we Choose our Students’.

</table>
The IELTS scores listed in these tables are the minimum overall score requirements. Unless otherwise indicated (**), the minimum score required in each test component is normally 5.5.

** Minimum scores vary for each component of the IELTS test. Please refer to the School of Nursing and Midwifery for details on entry requirements, how to apply and associated information. Email: nur.registry@qub.ac.uk

*** Fees quoted are for the first year and are subject to an inflationary uplift each year. qub.ac.uk/Feesandfinance/

Details of other English language qualifications acceptable to the University are available on our website at: go.qub.ac.uk/EnglishLanguageReqs

1 Indicators courses which are offered with and without a Sandwich year option; or where a Sandwich year (or shorter placement) is normally a required element of the degree programme, but international students can (under exceptional circumstances) be exempted from it. Students undertaking a year of professional experience (Sandwich year) do not need a work permit as long as the placement is in the UK. Students who do not take the year of professional experience are transferred to an equivalent programme without the extension ‘with Professional Experience’ in the title.

2 These programmes are not suitable for international candidates who are already qualified nurses and midwives in their own country, as much of the learning would be repeated. Applicants should instead consider the BSc Honours Nursing (Top-Up) or BSc Honours Health and Clinical Studies.

3 This programme is designed for Nurses and Midwives who are qualified to UK HE Diploma level or equivalent in their own country, to bring their qualification to degree level. Application for admission is direct to the University and not via UCAS. Please contact the School of Nursing and Midwifery for details on entry requirements.

Disclaimer: Queen’s University Belfast has made all reasonable efforts to ensure that these lists are accurate and up to date when compiled, but can accept no responsibility for any errors or omissions. The University reserves the right to revise, alter or discontinue courses of study. Entry may be restricted by number or quality of entrants.

Queen's welcomes applications from International Baccalaureate (IB) Diploma students. Offers will normally be conditional upon successful completion of the IB, to include three subjects at Higher Level (with scores between 6,6,6, 5,5,5, in addition to an overall score (normally between 29 and 37 points)). Points obtained for the Extended Essay and Theory of Knowledge can count towards the total.

The table below shows the IB requirements compared to the University’s UK A-level entry requirements. We may also require specific grades in relevant Higher Level subjects. Details of the A-level grades and any specific subject requirements for each programme may be found in our Course Finder at qub.ac.uk/courses/

Please note that these grades should be treated as a guide as variations may occur in certain circumstances.

** ENGLISH LANGUAGE REQUIREMENTS **

Applicants should hold an acceptable English language qualification at the appropriate level. English (Syllabus A) with a score of 4 at Standard Level or 4 at Higher Level will normally meet the English language entry requirement for the majority of our programmes. English (Syllabus B) with a score of 5 at Standard Level or 4 at Higher Level is also acceptable. However, please note that English language requirements may vary depending on your chosen programme. Please refer to our Course Finder for English language requirements by programme.

Applicants who are not studying English as part of the International Baccalaureate Diploma should refer to the full list of other acceptable English language requirements.

** MATHMATIC REQUIREMENTS **

We will accept both Mathematics Standard Level and Mathematical Studies Standard Level in lieu of GCSE Mathematics. The corresponding grade requirements are:

<table>
<thead>
<tr>

FURTHER INFORMATION

Queen’s University Belfast
HOW TO APPLY
Applications for admission to full-time undergraduate and sandwich courses at the University should normally be made online through the Universities and Colleges Admissions Service (UCAS). Full information can be obtained from the UCAS website at: ucas.com/apply. Details of the application process can be obtained from your school, or from British Council offices. Please note that the UCAS code name for Queen’s is QBELF and the number is Q75. These should be entered in the Choices section of your UCAS application. Please note a Campus Code is not required.

WHEN TO APPLY
UCAS will start processing applications for entry in autumn 2019 from 1 September 2018. For most courses, the closing date for the receipt of applications from international students is 30 June 2019 (18:00), however, for applicants whose choices include Medicine and Dentistry the closing date is 15 October 2018 (18:00). In addition, applicants for Nursing, Midwifery and Social Work programmes must apply by 15 January 2019 (18:00). Applicants are encouraged to apply as early as is consistent with having made a careful and considered choice of institutions and courses. Decisions are made on a rolling basis.

YOUR QUESTIONS ANSWERED
If you need more detailed advice about admission to Queen’s, for example with regard to the acceptability of your qualifications, the international team in the Admissions and Access Service is happy to answer your questions.
