A photograph of two students in a computer lab. A woman with short brown hair, wearing a blue t-shirt, is leaning over a desk and looking at a computer monitor. A man with dark hair, wearing a green t-shirt, is sitting at the desk, looking at the monitor with his hand on his chin. The background shows other computer workstations and a window with greenery outside.

# WELCOME TO QUEEN'S UNIVERSITY BELFAST

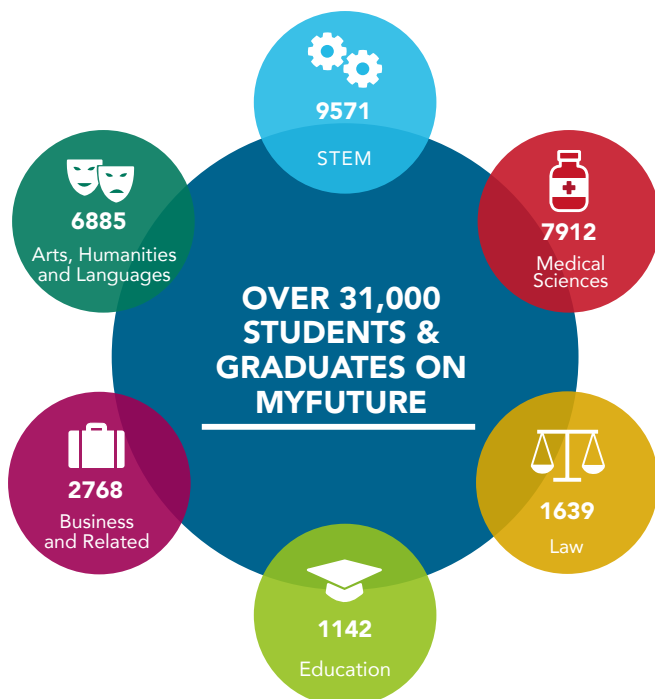

Queen's University Belfast is a member of the Russell Group of 24 leading UK research-intensive universities, providing world-class research. With around 23,000 students and 3,500 staff, Queen's is a dynamic and diverse institution, a magnet for inward investment, a patron of the arts and a global player in areas ranging from cancer research to sustainability and from pharmaceuticals to creative writing. Queen's is regularly recognised as one of the leading Universities in the UK by various rankings products, regularly appearing in the top 30.

In a fast-changing economy new careers are emerging all the time, so we have enhanced our engagement with a wide variety of employers to ensure students have up-to-date information on graduate job opportunities as well as placement and internship opportunities.

### Sponsorship Opportunities

There are a number of sponsorship opportunities that can strengthen your brand presence on campus including options with societies, key events, SGC Hub, scholarships and academic awards.

## PLACEMENTS AND INTERNSHIPS

Recruiting students for fixed term placements or internships can be of significant benefit to any organisation whether they are year-long, summer, vacation or shorter term opportunities. Whatever your needs, we can help you;

- Promote your company internship/placement programme to relevant Queen's students.
- Establish a new placement programme to provide a talent pipeline for the future.
- Access our **Santander Universities Internship Programme** with up to £1,500 of support if you are an SME.
- Utilise one of our **School Based Placement Programmes** for students studying Psychology, Politics, Geography, English, Marketing, Biomedical Sciences, IT, Engineering disciplines or Sociology.
- Access one of our in-house **Queen's University Internship Programmes (QUIP)** offering subsidies for placements to companies taking students from key subject areas and one month summer placements in third sector organisations.

## CONTACT THE TEAM

We understand that managing multiple channels across the University can be resource intensive and time consuming. Our experienced team provide an account management role for employers facilitating a more integrated and consultative approach that delivers results.

Please do not hesitate to contact a member of staff to discuss your recruitment needs and be assigned a dedicated Account Manager.
