RECRUIT OUR STUDENTS

WELCOME TO QUEEN'S UNIVERSITY BELFAST

Queen's University Belfast is key to your graduate recruitment needs. With over 25,000 students, there is huge potential to tap into our career-ready graduates. We have a dedicated Employer Engagement Team who will work with you to ensure our students have up-to-date information on graduate job opportunities as well as placements and internships.

We prepare our students for their future career, working with them to develop the skills and attributes they need to succeed. We also work closely with employers to make sure our advice to students is current and responsive to employer needs.
