

QUB Admission Requirements India

Entry Requirements for Undergraduate:

- ▶ The Standard Indian XII examinations from CBSE, CISCE or State Boards of Higher Secondary Education are acceptable for admission to our Bachelor degree programmes.
- ▶ Typical offers (minimum overall average percentage) for applicants with Standard XII would be as follows:
 - 85% (comparable to AAB at A-Level)
 - 80% (comparable to ABB at A-Level)
 - 75% (comparable to BBB at A-Level)
 - 70% (comparable to BBC at A Level)
- ▶ Please note that a minimum grade of 75% or higher in key subjects will normally be required, where there are subject-specific requirements.
- ▶ If applicants have taken JEE Main or Advanced examinations, results may be considered in addition to Standard XII results. Good percentile scores in JEE subjects will be considered where performance in a key subject in Standard XII is below the stated minimum requirement. In order for JEE scores to be considered, applicants should have achieved the University's normal Standard XII overall percentage requirement (as outlined above), with at least 60% in key subjects.
