Accommodation during the International Students' Orientation Programme

The residential year for University accommodation begins on 15 September 2007. For students attending the Orientation Programme on 13 and 14 September, University accommodation will be available from 10 to 14 September inclusive at a fixed rate cost for the 5 days. This gives students the flexibility to arrive between 10 and 12 September, to take advantage of the free welcome and transfer service from the two Belfast airports. Note that this option is only available to students who have reserved a place in University accommodation for at least the first semester of the academic year.

Students wishing to attend the orientation programme who have opted to live in private accommodation during the semester should make alternative arrangements. Please contact Queen's International if you require assistance.
