

Global Food Venture

*A unique entrepreneurship education programme
for talented PhD students across Europe,
who want to fuel innovation in food systems*

Application phase is now OPEN!

DEADLINE April 15, 2019

We're excited to announce that the **Global Food Venture Programme** from **EIT Food** will support highly-innovative PhD students from across Europe with their efforts to transform food & agriculture into a sustainable and healthy system.

Participants will expand their business knowledge and skills through a tailor-made thematic curriculum, network with major players from the food & agtech space and gain insight into key innovation ecosystems and entrepreneurial cultures in Europe and the USA.

Key Activities & Timeline

- 10 day **Summer School** in Madrid (2-12 June 2019)
- 1 week **Pre-Incubation Bootcamp** in Lausanne (14 -19 July 2019)
- 10 day **International Bootcamp** in Silicon Valley (October 2019, *for selected participants*)
- 6 month **Mentoring** by a GFVP partner institute on how to validate a business idea (*for selected participants*)
- 1 day **Conference** with final pitches and **innovation prizes** (up to 25K Euro) by the EIT Food Business Creation (Autumn 2019, *for selected participants*)

Are you ready to embark on a new and challenging venture?
