

## **Kevin Flanagan**

### **Senior Network Technician - Information Services**

I have been employed by Queen's University for the last 29 years. I initially joined the Computer Centre in 1988 where I started as a Computer Technician. I am now part of Information Services where I work as a Network Technician.

I have the honour of being the Chair of Unite the Union at Queen's. I represent Unite at regional and national level as well as being a senior member of the regional Higher Education Strategy Team.

I was elected to Senate in 2014 and if re-elected I will continue to represent all support staff.

Vote Flanagan 1 Abu-Khiran 2
