

## **Fiona McGarry**

### **Admissions Officer (International) – Marketing, Recruitment, Communications and Internationalisation**

I'm Fiona McGarry, an Admissions Officer, QUB graduate (Politics) and a working mum.

I believe I am suited for Senate as I am fascinated by how institutions work. Before joining Admissions I worked in private sector Human Resources, so have experience working with management teams. I enjoyed holding them to account, ensuring any action considered was fair and transparent. I'm passionate about equality and worker's rights.

I'm running because our university is world-class and I want to help ensure it remains competitive in the marketplace, our outstanding staff are recognised and supported, and I want my voice to be heard.
