

## **John Mackel**

Post Graduate Training and Development Consultant - The Graduate School, DASA

### **Supporting Statement**

I am not a manager, but bring the following blend of experience:

- 35 years representing staff, board membership, and owner of a people and organisation development practice.
- Worked across a wide range of sectors, nationally and internationally.
- Union, works council, and staff forum, representative.
- Passionate about equality, diversity, employee voice, flexible working, and staff well-being.
- Supporting and challenging senior executives, representing the voice of staff.
- Positions held: Board Chair, Secretary, and Board Coach.
- Leading Strategy and Staff Development Programmes.
- Good working relations across the University with colleagues, academics, students, managers.
- Want to be part of building a more collaborative culture.
