Queen’s University Belfast
Bachelor of Social Work (L501)
(Relevant Graduate Route)
2 year full-time

How we choose our students

Applications are dealt with centrally by the Admissions and Access Service rather than by individual University Schools. Once your on-line form has been processed by UCAS and forwarded to Queen’s, an acknowledgement is normally sent within two weeks of its receipt at the University. All the information on your application is important and you should ensure that full details are given about qualifications completed or still to be completed. Applicants are advised to have some experience in employment or voluntary work of a social work nature.

Applicants who meet the initial selection criteria are asked to provide a further 600 word personal statement outlining their knowledge, skills and values which they feel would make them a suitable candidate to pursue a career in social work and this is assessed. Applicants who are reapplying are encouraged to build upon and update their personal statement. Those who meet the required standard will then be called for interview to assess their suitability for Social Work training. This is a requirement of the professional body i.e. The Northern Ireland Social Care Council (NISCC), as set out in its ‘Rules for Approval of Degree in Social Work courses’. The interview is organised on a regional basis enabling applicants to have a single interview for all Northern Ireland Social Work programmes.

Decisions on applicants who have been unsuccessful following academic assessment, in the personal statement or interview will be made on an ongoing basis and notified to the applicant via UCAS, as soon as possible. Offers are not made until all applicants who are eligible have been interviewed, normally late April/early May. This is a high demand degree programme and therefore not all applicants deemed suitable for Social Work training will receive an offer. Thresholds vary from year to year. Further details on the ‘Application and Selection Process Timeline’ are outlined in Appendix 1.

Deadline for Applications

All applications submitted by the normal closing date of 15 January (18:00 hours) are given equal consideration. Applications received after this deadline will not be considered.

All Applicants

In addition to the factors outlined above, applicants for the Bachelor of Social Work (BSW) degree, two-year graduate route must have or be able to achieve a minimum of a Lower Second Class Honours degree in a cognate subject. A relevant degree is deemed to be an Honours degree where at least one-third of the course passed at Honours level comprises one or more of the following: Sociology, Psychology, Social Policy/Social Administration; and degrees in Law, Teaching, Nursing, Community Work, Youth Work, Early Childhood Studies, Criminology, Health and Social Care, Occupational Therapy, Human
Communication/Counselling, Social Anthropology, Housing Studies or other cognate subjects.

Applicants with a Third Class Honours degree will not be considered.

**NB: ALL APPLICANTS**

All applicants require GCSE Mathematics minimum Grade C or an equivalent qualification acceptable to the University. Essential Skills, Level 2 in Application of Number is not acceptable in lieu of this requirement.

**Personal Statement and Academic Reference**

The information provided in the personal statement should demonstrate a commitment to social work. The academic reference together with predicted classification are noted but, in the case of the Bachelor of Social Work degree, are not the final deciding factors in whether or not an offer can be made. All applications must contain a reference otherwise they may not be considered.

**Applicants in Receipt of an Offer**

Applicants who are made an offer are normally invited to an information evening, which is usually held in the May following the publication of offers. The event is provisionally arranged for 13 May 2020 for entry in September 2020. This will allow you the opportunity to visit the University and to find out more about the Social Work degree and the facilities on offer. It also gives you a flavour of the academic and social life at Queen's.

**Deferred Entry**

Due to the demand for places and the lengthy selection process candidates applying for deferred entry are not considered.

All applications submitted by the normal closing date of 15 January (18:00 hours) are given equal consideration. Applications received after this date will not be considered.

**Finally**

If you cannot find the information you need here, please contact the University Admissions Service [here](#), giving full details of your qualifications and educational background.
STAGE 1
Following receipt of your UCAS application the admissions team will assess your academic qualifications. If you meet/can meet the academic entry requirements for social work your application will progress to Stage 2.

STAGE 2
A Consent & Declaration letter and pro forma will be sent to you. If you receive a Consent & Declaration letter and pro forma from both Queen’s and Ulster, you must complete each pro forma (tick box) and return to the relevant institution, to the email address indicated.

STAGE 3
You will receive an email asking you to provide (type) a 600 word Personal Statement. The Personal Statement is assessed and graded either by a member of academic staff within the School of Social Sciences, Education and Social Work, or by a nominated Social Work agency representative. You will be asked to respond to three statements, which will be used to shortlist applicants for interview. The Personal Statement is an opportunity for you to clearly identify your motivation for a career in Social Work, and to demonstrate your understanding of the Social Work role. Normally applicants refer to the knowledge, skills and values, which they feel, would make them a suitable candidate.

You will be given 10 working days to complete the Personal Statement and to return it to the email address provided. Failure to provide the Personal Statement within the agreed timescale may result in your application being withdrawn via UCAS.

STAGE 4
If you achieve the required benchmark score in the 600 word Personal Statement you will receive an email inviting you to attend for interview. Interviews run from mid/late February right through to mid/late April.

The interview is a two-stage process:

**Stage One – Case Scenario**
On attending for interview, applicants will be issued with a short Case Scenario and will be allowed 10 minutes, under supervision, in preparation for their formal interview. Provision will be made for applicants to make notes under supervision, which may only be used during the interview and must be returned on completion of the interview.

**Stage Two – Formal Interview**
The first two questions at interview will focus on the Case Scenario. The remaining four questions will concentrate on your motivation to pursue a career in social work and your understanding of different aspects of social work practice. It is important that you draw upon any life or work experience, and you consider skills, knowledge and values important to social work.

**NB:** That it is assumed that if an applicant presents for interview that they are fit to undertake this. If unwell on the day, a request should be made for an alternative appointment and this will be accommodated, if at all possible.

STAGE 5
Social Work Offers: Following completion of the interview process applicants who pass the ‘suitability interview’ are ranked by interview score. Offers are processed in early May however, not all applicants who are deemed suitable for ‘social work training’ will receive an offer at this stage. This is due to the government quota for social work at both Queen’s and Ulster. You should note that, if you have applied to both Queen’s and Ulster, it is possible to receive an offer from one institution and not the other.

After the initial round of offers Queen’s and/or Ulster will email/write to eligible applicants asking if they wish to be retained on a ‘reserve list’ if additional places become available. This may not be until August following receipt of all examination results. You should note that there is no guarantee that additional places will become available.

Please note if you are unsuccessful at any of the above stages, we will notify you as soon as possible, via UCAS.
