Queen's University Belfast
Bachelor of Social Work (L501)
(Relevant Graduate Route)
2-year full-time

How we choose our students?

Applications are dealt with centrally by the Admissions and Access Service rather than by individual University Schools. Once your on-line form has been processed by UCAS and forwarded to Queen's, an acknowledgement is normally sent within two weeks of its receipt at the University. All the information on your application is important and you should ensure that full details are given about qualifications completed or still to be completed.

Applicants who meet the initial selection criteria will then be contacted regarding completion of a video interview to assess their suitability for Social Work training. This is a requirement of the professional body i.e. The Northern Ireland Social Care Council (NISCC), as set out in its 'Rules for Approval of Degree in Social Work courses'. The video interview is organised on a regional basis enabling applicants to submit a single interview for all Northern Ireland Social Work programmes applied for.

Decisions on applicants who have been unsuccessful following academic assessment or interview will be made on an ongoing basis and notified to the applicant via UCAS, as soon as possible. Offers are not made until all applicants who are eligible have been interviewed, normally late April/early May. This is a high demand degree programme and therefore not all applicants deemed suitable for Social Work training will receive an offer. Thresholds vary from year to year. Further details on the 'Application and Selection Process Timeline' are outlined in Appendix 1.

Deadline for Applications

All applications submitted by the normal closing date of 15 January (18:00 hours) are given equal consideration. Applications received after this deadline will **not** be considered.

All Applicants

In addition to the factors outlined above, applicants for the Bachelor of Social Work (BSW) degree, two-year graduate route must have or be able to achieve a minimum of a Lower Second Class Honours degree in a cognate subject. A relevant degree is deemed to be an Honours degree where at least one-third of the course passed at Honours level comprises one or more of the following: Sociology, Psychology, Social Policy/Social Administration; and degrees in Law, Teaching, Nursing, Community Work, Youth Work, Early Childhood Studies, Criminology, Health and Social Care, Occupational Therapy, Human Communication/Counselling, Social Anthropology, Housing Studies or other cognate subjects.

Applicants with a Third Class Honours degree will not be considered.

NB: ALL APPLICANTS

All applicants require GCSE Mathematics minimum Grade C or an equivalent qualification acceptable to the University. Essential Skills, Level 2 in Application of Number is not acceptable in lieu of this requirement.

Personal Statement and Academic Reference

The information provided in the UCAS personal statement should demonstrate a commitment to social work. The academic reference together with predicted classification are noted but, in the case of the Bachelor of Social Work degree, are not the final deciding factors in whether or not an offer can be made. All applications must contain a reference otherwise they may not be considered.

Applicants in Receipt of an Offer

Applicants who are made an offer are normally invited to an offer holders event, which is usually held in May, following the publication of offers. If you have not already done so, this will allow you the opportunity to visit the University and to find out more about the Social Work degree and the facilities on offer. It also gives you a flavour of the academic and social life at Queen's.

Deferred Entry

Due to the demand for places and the lengthy selection process, candidates applying for deferred entry are not considered.

All applications submitted by the normal closing date of 15 January (18:00 hours) are given equal consideration. Applications received after this date will not be considered.

Finally

If you cannot find the information you need here, please contact the University Admissions Service [here](#), giving full details of your qualifications and educational background.

STAGE 1	Following receipt of your UCAS application the admissions team will assess your academic qualifications. If you meet/can meet the academic entry requirements for social work your application will progress to Stage 2.
STAGE 2	A Consent & Declaration letter and pro forma will be sent to you. If you receive a Consent & Declaration letter and pro forma from both Queen's and Ulster, you must complete each pro forma (tick box) and return to the relevant institution, to the email address indicated.
STAGE 3	<p>If you have met/can meet the academic entry requirements and returned the Consent & Declaration, you will receive an email inviting you to participate in a video interview. It is anticipated that interviews will run from mid-January right through to mid/late March.</p> <p>The video interview is a three-stage process:</p> <p>Stage One You will be given advance notice about what date you will be expected to upload the link to your video interview, with guidance on how to create, save and upload your 10-minute video to the allocated platform.</p> <p>Stage Two You will be emailed a short case scenario and five interview questions 48-hours prior to the deadline for you to upload the link to your video.</p> <p>Stage Three The five interview questions will explore your motivation, and your understanding of: social work, values, self-care and diversity. It is important that you draw upon any life, academic or work experience (voluntary or paid).</p> <p>NB: That it is assumed that if an applicant submits their video interview for assessment, that they were fit to create this. If unwell on the nominated date for submission, a request should be made for an alternative date and this will be accommodated, where possible.</p>
STAGE 4	<p>Social Work Offers: Following completion of the interview process applicants who pass the 'suitability interview' are ranked by interview score. Offers are processed in late April/early May however, not all applicants who are deemed suitable for 'social work training' will receive an offer at this stage. This is due to the government quota for social work at both Queen's and Ulster. You should note that, if you have applied to both Queen's and Ulster, it is possible to receive an offer from one institution and not the other.</p> <p>After the initial round of offers Queen's and/or Ulster will email/write to eligible applicants asking if they wish to be retained on a 'reserve list' if additional places become available. This may not be until August following receipt of all examination results. You should note that there is no guarantee that additional places will become available.</p>
Please note if you are unsuccessful at any of the above stages, we will notify you as soon as possible, via UCAS.
