

October Bulletin for the Final Year students in the School of PISP

As a final year student you may well be wondering *"What do I do next?"* Well, help is at hand from Careers, Employability and Skills – we can support you in negotiating the minefield of options, choices and closing dates even if you have no idea what you want to do.

What Careers Events are organised for my school?

Think about attending a "Skills for Success Workshop" or a "lunchtime Workshop" on CVs, Applications and Interview Skills. (see below) These are short 1-2 hour workshops that help you prepare now for a career after your degree.

1:1 appointments with your Careers Adviser (45 mins) and E-guidance

You can talk to Claire individually about what you might want to do after your degree. Appointments are normally available Thursday and Friday mornings at the Student Guidance Centre and can cover, for example:

- your career ideas, plans and options
- work experience
- application and interview support etc

Appointments are bookable at www.qub.ac.uk/careers > Careers Events, Fairs and Vacancies.

If it is difficult to get to the Student Guidance Centre you can also contact me via our **e-guidance service** at the website www.qub.ac.uk/careers > 1-2-1 guidance and eguidance.

Hot links

Autumn semester includes a lot of events as well as closing dates for many graduate jobs, and even some postgraduate courses - don't miss out!

	<p>Where to find us Map and information</p> <p>The Student Guidance Centre is located above Ulster Bank on University Road</p>
	<p>Website and careers information More information</p> <p>Register to gain access to graduate job and placement and other opportunities. Plus a huge amount of information online e.g. Career Videos or in hard copy to take away</p>
	<p>Career Development Programmes & Placement</p> <p>It is not too late to get involved in work experience (e.g. Insight Days & Internships) programmes, international experiences, Science Shop or other activities both on or off campus. These will contribute to your personal and skills development and also may be accredited for Degree Plus</p>
	<p>Careers workshops</p> <p>Key workshops for this semester include:</p> <p>Skills for Success – employer-led skills workshops</p> <p>Lunchtime workshops – covering recruitment and selection topics such as CVs, applications, psychometric tests etc</p>
