

## SECOND YEAR EXPERIENCE SURVEY

### SCHOOL OF PSYCHOLOGY

The survey uses three types of question:

Questions which require students to express the extent of their agreement or disagreement with the question statement. The results for these questions are shown as a mean score on a range of 1 to 5.

Questions which require a "Yes" or "No" answer. The results for these questions are shown as the % of students saying "Yes".

Questions which require students to select one choice from a range of options. The results for these questions are shown as the percentage of students selecting each option.
