

## Careers, Employability and Skills - Introduction

Careers, Employability and Skills (CES) provides a range of services to support: students and graduates who want to explore their career options or apply for jobs or further study; employers wishing to recruit Queen's students, graduates and postgraduates; and University staff seeking to work in partnership with CES in the development of student employability.

In addition to offering one-to-one guidance consultations and a duty 'drop in' service, CES organises a wide range of events including –

- Administration, Finance and Management Fair
- Engineering, Science and IT Fair
- Law Fair
- Work Experience Fair
- NI Graduate Recruitment Fair (in association with University of Ulster)
  
- International Event
- Engineering and Physical Science Careers Awareness Event
- Computer Science Careers Awareness Event
- Accountancy Careers Awareness Event

It also maintains a comprehensive website which collates all vacancies received by CES, events, presentations and careers programmes – [www.qub.ac.uk/careers](http://www.qub.ac.uk/careers)
