Monday 20 November

Sustainable Art in One Elmwood

A wide range of items ready to be thrown out of One Elmwood have been collected by SU Volunteer to be repurposed and reused in fun and creative ways. Help us turn old fliers into festive decorations and more!

The event will take place in the Drawing Room, Level 2, One Elmwood, from 10am - 12 noon. No sign-up required.

Tuesday 21 November

International Synergies
industrial ecology solutions

Panel Discussion: 'Circular Economy - Fantasy or Reality?'

Join experts from the waste sector to discuss the circular economy within Northern Ireland: on what they are doing to enhance the circular economy, and what needs to happen in the future. Panellists include experts from across the industry, with representatives from Queen's Advanced Manufacturing Innovation Centre, International Synergies, Arc21 and DAERA. Facilitated by Keith Patterson, WRAP UK.

Panel Discussion will take place in Lecture Room 2, Riddel Hall from 9am - 10:30am. Register [here](#).

Wednesday 22 November

Big Autumn Clean Up 2023

SU Volunteer, the Sustainability Team and QUB Engagement are joining forces to host the annual Big Autumn Clean Up. Come along to the McClay Library, pick up your litter picking kit and help us clean Stranmillis and the Holylands. We will finish up in One Elmwood for pizza after the litter-pick.

Meeting at the McClay Library, from 11am. Register [here](#).

Thursday 23 November

Positive Volunteering

SU Volunteer and Positive Vintage have partnered to bring you Positive Volunteering. This is an opportunity to discuss how wellbeing and volunteering complement each other, as well as the role vintage clothing plays in sustainable fashion.

This event will take place in The Cube, One Elmwood, from 6-8pm. Register [here](#).
