

## PSNI External Partnership Senior Leader Mentoring Scheme

In supporting career development, this mentoring scheme provides an opportunity for senior professional services staff to work in partnership with other organisations, sharing skills and experience.

If you are grade 9 or above you are invited to apply for a place on the Scheme as a Mentor or Mentee.

The scheme administration is covered by the Police College, who will conduct the matching process and provide training. Mentors will have maximum of 2 Mentees at any one time. The duration of mentoring partnerships will depend on individual need but are not expected to last longer than 12 months from date of first meeting. Those involved will be invited to attend the Police College in January 2020 for an official launch event.

Applicants wishing to join as **Mentors** should be at Grade 10 and above. **Mentees** should be at Grade 9 and above.
