**Employee Workable (NI) reviews.**

“Cherry Pipes has really benefited from the Workable (NI) Programme supported by Usel. We have five people on this programme who form an important part of our team at Cherry’s. One of the people on this programme has secured a senior role in the Sales Department. We would never have enjoyed this level of success without the continued support of Usel”.

Fintan Monaghan, Sales Director of Cherry Plastics Group.

“We are delighted at the work carried out by Kenny and are overjoyed that he has developed his skills and confidence within his employment. He is very conscientious and hardworking and has really progressed within this role”.

Maggie Shields Operations Manager Elior, NI.
