Origami Dinosaur - <https://www.nhm.ac.uk/discover/origami-tyrannosaurus-rex-dinosaur.html>

How to draw a dinosaur - <https://www.nhm.ac.uk/discover/how-to-draw-a-dinosaur.html>

Drawing animals from the shape of their hand - <https://www.youtube.com/watch?v=qJNSOte9h4I>

Learn how to draw - <https://www.youtube.com/watch?v=7SWvUd2at8>

More drawing tutorials - <https://www.youtube.com/channel/UCHRHILY0t3i5VvKEeFMoJxw>

Home Economics

Theo Michaels will be teaching children to cook simple recipes every Monday, Wednesday and Friday at 4pm. A great way to help children learn how to cook in time with a chef.

<https://www.youtube.com/watch?v=qvmZHFiljw>

Film

INTO Film have a number of resources to keep children active. They suggest that the child can write a story. Then draw the story into the storyboards, design the characters of the story with their hair and makeup and costume print outs. And also make a movie poster for their story.

Here is the plan below:

Write a story

Draw the story to make into a film -

<https://an-nasihah.com/project/storyboard-template/#>

Hair and Make-up design - <https://www.intofilm.org/resources/3017/hair-makeup-design-v03.pdf>

Costume Design - <https://www.intofilm.org/resources/3014/costume-design-v02.pdf>

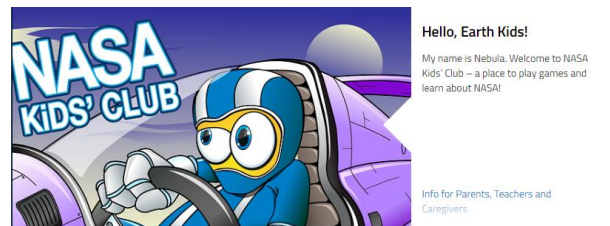

Design poster - <https://www.intofilm.org/resources/4859/film-poster-template-v05.pdf>

Science

NASA has resources for children to help them learn about space and space programs. A great beginning for those who have an interest in the topic.

<https://www.nasa.gov/kidsclub/index.html>

<https://www.nasa.gov/stem/forstudents/k-4/index.html>

Geography
