

Telephone Permissions

There are 5 levels of phone permissions. Each higher level includes the permissions for all lower level calls.

- Internal Calls only
- Local Calls
- National Calls
- UK & Ireland
- International

Switchboard can also put you through to numbers which are not included in your phone permissions or enable you to call mobile phones.

Authorisation must be obtained from the appropriate budget holder to permanently change phone permissions or to dial directly to mobile phones.

Regarding requests for the provision or alteration of service or equipment please contact: telephones@qub.ac.uk – ext. 6345.
