

Welcome to the Biomedical Library

Introduction

The Biomedical Library provides a service to staff and students of QUB and to HSC staff in the Belfast City Hospital and surrounding area.

It is located beside reception in the Medical Biology Centre on the Lisburn Road.

Let us help

The library will play a significant part in your studies, so let us show you what it has to offer and how to find your way around.

Issue Desk

When you enter the library you will see the Issue Desk directly in front of you. Books can be borrowed, renewed and returned here.

Self Service Machine

The Self Service machine allows you to beat the queues and borrow or return your library material.

Electronic Catalogue

- Details about the resources held in the Biomedical Library can be found on the electronic catalogue, QCat.

Main Journal/Book Stack

The main book and journal collection is located to the right at the back of the library.

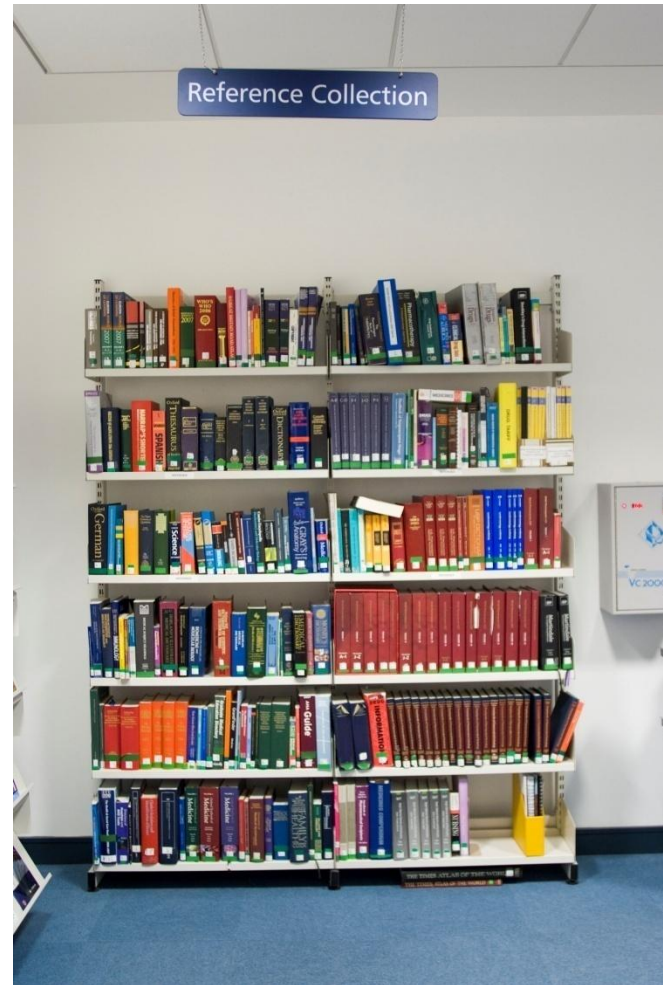

Current Periodicals

Current Periodicals are shelved beyond the Issue Desk. The most recent copy is displayed while the shelves can be lifted up to reveal other unbound copies. Bound journals can be found in the Main Stack.

Reference Collection

The Reference Collection, located by the photocopiers, holds items such as nursing/medical dictionaries and pharmaceutical encyclopaedias which are essential aids to studying.

Photocopying

- There are two self-service photocopiers in the library.
- HSC members and visitors must purchase photocopy tickets. £1 tickets are available from the dispenser whilst £10 tickets can be purchased at the Issue Desk.

Printing and Copying

- QUB staff and students can copy library material using the Smart Card system.
- This system allows QUB users to photocopy in the library or to print from the Student Computer Centres.

Computing Facilities

- There are 3 PCs located adjacent to the Issue Desk. These provide internet access primarily for HSC members of the library.
- For QUB students, a 90 seat Student Computer Centre is situated to the rear of the Library, accessible through the Anatomy Wing.

Studying in the Library

The Library has 100 reading spaces ranging from open planned study tables to individual study carrels.

Group Study Room

A group study room at the back of the Library provides an alternative to individual study spaces.

Booking enquiries should be made at the Issue Desk.

Need Help?

If you have any problems or queries Staff are available at the Issue Desk to answer your questions and help you.

And finally . . . when it's time for a break

- ❑ The MBC café, found in the main foyer, provides light snacks and meals.
- ❑ Toilets are located to the left of the main reception desk in the foyer.
