Academic Year 2020-21

Dear Colleague,

Childcare Services at Queen's

During your maternity / adoptive leave you may wish to consider the Childcare options available to you on campus. Childcare Services at Queen's offer a range of **affordable** childcare support on campus with full day care provision for children from 6 weeks to 4 years at the Crèche site at 11 College Gardens. Our After School Club is located at 1 Rugby Road and offers a service for children from Primary 1 to Primary 7 including a daily school collection facility. All childcare sites promote the ethos of a happy, caring atmosphere within a stimulating and learning environment and are registered with the Belfast Health and Social Care Trust. Our aim is to provide a varied programme of activities that nurture the development of the 'whole child' which is delivered through the medium of play.

Places are currently available across all age groups - please contact Karen McCormick, Childcare Manager (karen.mccormick@qub.ac.uk or Tel: 028 90 662146) for further information or to arrange a visit.

University staff can avail of the Salary Sacrifice Scheme (Childcare+) and Childcare Vouchers as fee payment methods. We would welcome the opportunity to meet with you and show you around our facilities and in the meantime if you want any further information on our services and facilities please see our website at: <https://www.qub.ac.uk/directorates/StudentPlus/ChildcareatQueens/>

Kind regards

Brigid Doyle
Head of Childcare
