KEY DIFFERENCE:

- **MyFuture Pathways** support co and extracurricular learning/programmes/awards (e.g. How to prepare for a Fair, skills self assessment and development, how to apply or complete e.g. Degree Plus or a complex Career Development Programme e.g. a study tour)
- **Canvas** is for Queen's approved modules (i.e. course embedded learning support approved by Academic Affairs)

MyFuture Pathways Example

The screenshot displays the MyFuture Pathways interface. At the top, there is a red header with the Queen's University Belfast logo, a search bar, and user navigation icons. A left-hand sidebar contains a menu with items such as 'MAIN MENU HOME', 'Jobs', 'My Profile', 'Documents', 'Events & Fairs', 'Live Interviews', 'Experiential Learning', 'Book an Appointment', 'Mentoring & Networking', 'Employers', 'Credentials', 'Surveys', 'My Personal Development Resources', 'Appointments and Calendar', and 'My Account'. The main content area features a banner image of a smiling woman in a call center. Below this is the 'SKILLS AUDIT & ACTION PLAN' course module, which is 80% complete. The module details include the start and end dates and a 'Leave Plan' link. The 'About' section explains that the exercise relates to Careers and Placement modules. The 'On Completion' section states that users will gain access to their 'Edit Personal/Academic Profile'. The progress section shows two steps: 'Step 1: COMPLETE THE SKILLS AUDIT (SELF ASSESSMENT)' at 50% completion and 'Step 2: Produce an Action Plan' at 100% completion. Step 1 includes two tasks: '1.1. REVIEW YOUR SKILLS AUDIT (SELF ASSESSMENT) HOW TO REVIEW YOUR SKILLS AUDIT' (checked) and '1.2. ATTEND/ENGAGE IN AT LEAST ONE EXTRACURRICULAR ACTIVITY OR WORKSHOP TO HELP YOU DEVELOP A TARGET SKILL' (unchecked). Step 2 includes '2.1. DOWNLOAD AND COMPLETE THE ACTION PLAN' (checked).

SIMILARITIES

- Both can be set up by a relevant manager user e.g. an academic, Careers Consultant or administrator etc.
- Both are can be tailored and targeted to specific groups of learnings (e.g. only one discipline, year group can view it – in MyFuture, interdisciplinary years groups can also be set up as a group with visibility of a module – presumably Canvas can do this too)
- Progression by individual or cohort of students through a module or pathway can be monitored by the “manager”/CC or academic.
- See MyFuture Pathways Manager Monitoring view below.
