Academic Year 2022-23

Dear Colleague,

Childcare Services at Queen's

During your maternity / adoptive leave you may wish to consider the Childcare options available to you on campus. Childcare Services is based at 11 College Gardens, and offers a range of **affordable** childcare support on campus with full day care provision for children aged from 6 weeks to 4 years and an After School Club for children from Primary 1 to Primary 7, including a daily school collection facility. Queen's Childcare promotes the ethos of a happy, caring atmosphere within a stimulating and learning environment and our facilities are registered with the Belfast Health and Social Care Trust. Our aim is to provide a varied programme of activities that nurture the development of the 'whole child' which is delivered through the medium of play.

Places are currently available across all age groups. Please contact Linda McCord / Angela Waldram at Tel: 90-662146, or by email at l.mccord@qub.ac.uk or a.waldram@qub.ac.uk, for further information or to arrange a visit.

University staff can avail of the Salary Sacrifice Scheme (Childcare+) and Childcare Vouchers as fee payment methods. We would welcome the opportunity to meet with you and show you around our facilities and in the meantime if you want any further information on our services and facilities please see our website at: <https://www.qub.ac.uk/directorates/StudentPlus/ChildcareatQueens/>

Kind regards

Karen McCormick
Head of Childcare
