WHO WILL BE SUPPORTED IN 2023?

- Up to 40 Scholars will be supported, for master's degrees in the USA, UK, Europe, Canada. Scholars may combine the award with other sources of support or other awards, e.g. Fulbright.
- Academic excellence is the main criterion for selection
- Applicants may apply for support for either research or taught master's degrees, for a 1-2 year period

HOW DO I COMPLETE THE APPLICATION?

- Ask two referees if they will complete and submit references for you by the 16th December 2022. You will receive a link to send them, once you submit your application.
- Complete either the research synopsis or the justification for applying for the taught master's to which you are applying – not both questions.
- Provide an estimate of all of your costs for the duration of study and the amount you would require to successfully complete the proposed degree.

WHAT WILL IT MEAN TO BE A GEORGE MOORE SCHOLAR?

- Financial and personal support.
- Part of a cohort of excellent students making an impact internationally.
- Following in the footsteps of a trailblazing Irish graduate, who built one of the early data analytics companies.
- Evidence that you have been selected through a competitive process for an award that recognizes your ability and potential.
