## WHO WILL BE SUPPORTED IN 2024?

- Up to 50 Scholars will be supported, for master's degrees in the USA, UK, Europe, Canada. Scholars may combine the award with other sources of support or other awards, e.g. Fulbright, Erasmus Mundus.
- Academic excellence and potential for impact are the main criteria for selection.
- Applicants may apply for support for either research or taught master's degrees, for a 1-2 year period.

## HOW DO I COMPLETE THE APPLICATION?

- Begin your application on [www.mindaclient.com](http://www.mindaclient.com) on the 21<sup>st</sup> of October.
- Provide a research statement and a personal statement. Focus on your top course choice. Submission by 22<sup>nd</sup> of November.
- Ask two referees if they will complete and submit references for you by the 6<sup>th</sup> of December 2024. You will receive a link to send them, once you submit your application.
- Provide an estimate of all of your costs for the duration of study and the amount you would require to successfully complete the proposed degree.

# WHAT WILL IT MEAN TO BE A GEORGE MOORE SCHOLAR?

- Financial and personal support.
- Part of a cohort of excellent students making an impact internationally.
- Following in the footsteps of a trailblazing Irish graduate, who built one of the early data analytics companies.
- Evidence that you have been selected through a competitive process for an award that recognizes your ability and potential.
