

Careers, Employability and Skills - Introduction

Careers, Employability and Skills (CES) provides a range of services to support: students and graduates who want to explore their career options or apply for jobs or further study; employers wishing to recruit Queen's students, graduates and postgraduates; and University staff seeking to work in partnership with CES in the development of student employability.

The services are centrally offered or tailored within schools and include:

Careers education activities:

- Programmes, events and workshops

Careers information provision:

- Fairs, forums, website and resources

Guidance interventions

- one-to-one guidance consultations face to face, Skype and an online E-guidance system

Annual Fairs include:

Autumn Graduate Recruitment and Placement Fairs:

- Business & Finance
- Engineering, Science & Technology
- Law and Legal Related Fair

Work Experience Fair

NI Graduate Recruitment Fair (in association with University of Ulster)

Opportunities & Awareness events: Teaching, International Event, Engineering and Physical Science Careers Awareness Event, Computer Science Careers Awareness Event and Accountancy Careers Awareness Event

The website collates a wide range of part-time work, work experience and graduate vacancies and opportunities received by CES as well as advertising events, presentations, workshops, programmes and guidance – www.qub.ac.uk/MyFuture
