Undergraduate

Undergraduate Tuition Fees: Summary

The following rates apply to students who enrol with the University in the Academic Year 2016-17. Exceptions to the standard tuition fees will be listed separately.

FULL TIME (Charged on a set fee basis)

A student is classified as full-time, for fee calculation purposes, if the total CATS points of the courses that he/she is studying are greater than 90 CATS points. A full-time fee will be charged, based on the fee band for the course of study and will encompass all the semesters for the year.

PART TIME (Charged on a CATS point basis)

A student is classified as part-time, for fee calculation purposes, if the total CATS points of the courses that he/she is studying, are less than or equal to 90 CATS points. Fees will be charged, according to CATS points, based on the fee band for the course of study.

The per CATS point fee is calculated by taking the full-time fee and dividing it by 120. The rationale for this is that a full-time course is made up out of 120 CATS points. Rounding will be applied.
