

## Completing registration for an assessment during the August Supplementary Assessment Period

### Scenario One

Student has received an overall module mark of Fail for all modules and must register for a second attempt at an assessment to pass the module.

Student would need to select the 'required to attend' response for all modules:

Subject Area	Catalog Nbr	Description	Grade Input	EBN	Elements Failed	Units Taken	Response	Amount Due
1 LAW	1021	Constitutional Law in Context	33	F	E	20.00	Required to Attend	77.00
2 LAW	1023	European Internal Market Law	35	FAS	CAE	20.00	Required to Attend	0.00
3 LAW	1024	Rights and Accountability	27	FAL	CE	20.00	Required to Attend	0.00
4 LAW	1025	Criminal Law	36	FAL	E	20.00	Required to Attend	0.00

If the student had a conversation with their school and were given the option to complete another piece of work to pass the module in lieu of an Alternative Assessment then the student would select the response 'Not required to attend' for that module:

Subject Area	Catalog Nbr	Description	Grade Input	EBN	Elements Failed	Units Taken	Response	Amount Due
1 LAW	1021	Constitutional Law in Context	33	F	E	20.00	Required to Attend	77.00
2 LAW	1023	European Internal Market Law	35	FAS	CAE	20.00	Required to Attend	0.00
3 LAW	1024	Rights and Accountability	27	FAL	CE	20.00	Required to Attend	0.00
4 LAW	1025	Criminal Law	36	FAL	E	20.00	Not Required to Attend	0.00

### Scenario Two

Student has received pass marks for all modules but decides to retake an Alternative Assessment for a module in order to try and improve the overall module mark under the Supplementary Regulations.

Student would need to register for the additional attempt at the Alternative Assessment and would need to select the following response:

Subject Area	Catalog Nbr	Description	Grade Input	EBN	Elements Failed	Units Taken	Response	Amount Due
1 CHE	2104	Fluid Mechanics	50	PAS	E	20.00	Required to Attend	0.00
2 CHE	2102	Heat and Mass Transfer	59	PAL	E	20.00	Required to Attend	0.00
3 CHE	2103	Process Control	70	PAL	E	20.00	Not Required to Attend	0.00

### Scenario Three

Student receives a combination of pass and fail results for their modules. Student must complete assessment for the fail modules in order to pass. However the student would under the Supplementary Regulations, have the option to a second attempt at assessments for pass modules that were first taken **on or after 16<sup>th</sup> March 2020**.

If the student decided not to retake the Pass assessment and only retake the Fail assessments they would select the following responses:

Subject Area	Catalog Nbr	Description	Grade Input	EBN	Elements Failed	Units Taken	Response	Amount Due
1 LAW	1023	European Internal Market Law	39	FAL	E	20.00	Required to Attend	0.00
2 LAW	1024	Rights and Accountability	60	PAL	CE	20.00	Not Required to Attend	0.00
3 LAW	1025	Criminal Law	33	FAL	E	20.00	Required to Attend	0.00

If the student decided to attempt the Pass assessment again as well as the Fail assessments they would select the following responses:

Subject Area	Catalog Nbr	Description	Grade Input	EBN	Elements Failed	Units Taken	Response	Amount Due
1 LAW	1023	European Internal Market Law	39	FAL	E	20.00	Required to Attend	0.00
2 LAW	1024	Rights and Accountability	60	PAL	CE	20.00	Required to Attend	0.00
3 LAW	1025	Criminal Law	33	FAL	E	20.00	Required to Attend	0.00
