listen. support. inform

Helplines NI brings together over 30 helplines operating across Northern Ireland. The Helplines NI leaflet and website (www.helplinesni.co.uk) provide a directory of the helplines within Northern Ireland. The Helplines NI website (www.helplinesni.co.uk) can be used by the public and professionals to find the right helpline and support.

What support do helplines provide?

The Helplines provide a variety of support services, including information, advice, counselling, listening ear and befriending. Many of the services take place over the phone and some provide support via email, text and web-chat.

The Helplines provide information, support and advice on a vast range of issues, to include: debt; mental health; parenting, unemployment; bereavement; substance abuse; and housing.
