and Continuing Education

FACE Annual Conference Queen's University Belfast, 29 June - 1 July 2016

Widening Participation in the Context of Economic and Social Changes: How do we engage applicants and empower students to create successful graduates?

Conference themes:

- Partnerships – working with alumni, engaging communities and embracing the private sector to widen access.
- Employer engagement – Lifelong learning within the workforce, identifying needs and creating realistic and challenging learning opportunities.
- Student experience – engaged learners, empowered graduates, evidence of WP adding value to the student life cycle.
- Internationalisation – the university community working together to create opportunities for all.
