## BANK OF ENGLAND SCHOLARSHIP PROGRAMME

If you're from a **black or mixed African/Caribbean** background and are looking for financial support whilst at university, our scholarship programme may be for you.

It's a great way to experience our fascinating work as a central Bank in a collaborative and inclusive environment. The programme will provide you with:

- Up to £30,000 to support living costs during your undergraduate degree.
- Paid summer internships.
- Mentoring, coaching and support from a member of our team.

The programme is open to students who are eligible to work and study in the UK, with at least 260 UCAS points and a household income below £50,000. You must be planning to start a full-time undergraduate degree in Autumn 2017.

**APPLICATION DEADLINE:**

**26th February 2017**
