CAREERS,
EMPLOYABILITY
AND SKILLS

"I thought it was very beneficial from the start right to the end"

"I felt it would add something extra to my CV and show the transferable skills I have"

"It was really good and got me thinking about my skills in ways I haven't, and also helped me think about my personal development"

"Truthfully, I think the course is excellent"

"I really enjoyed the personal reflection aspects, as this forced me to assess my progress and skills development"

"Strongly recommend to everyone studying at QUB"

"It was a great course that made me think of things I otherwise would not have"

"I wanted to achieve something more than just a degree out of university, and this certificate was the perfect option"

"It allowed me to think about the skills that I have and how I can apply them to interview questions"
