WELCOME

Thank you for considering applying to study at Queen's University Belfast.

As you read through this prospectus, I hope it will give you a real sense of life at Queen's. I trust you will find all the information you need in the following pages to help you make your decision.

When we launched Strategy 2030, we set out our commitment to shape a better world through life-changing education and research, investing in both students and staff to ensure excellence and impact.

Our aim is to inspire you, the global citizens of tomorrow, by delivering a transformative education and student experience, offering flexible and broad-based learning opportunities, with wellbeing, inclusivity and cultural diversity at the fore.

Your time at Queen's is not simply about receiving an education, it's also about enjoying a unique, life-defining experience, and we want your experience to be wonderful and memorable.

We want to equip you to be future leaders with the skillset needed to pre-empt and respond to local, national and global challenges.

One of the longest established universities in the UK, Queen's is ranked as one of the top 200 universities in the world¹.

In addition, 88% of Queen's research and 99% of the research environment has been assessed as world-leading or internationally excellent².

We ensure our students are internationally connected, benefitting from both a multi-cultural experience on campus and a range of global opportunities with our network of partners.

Our educational programmes are increasingly focused on sustainability and the ethos of the United Nations Sustainable Development Goals (SDGs) at a local, national and global level.

The sports and library facilities we offer have been highly rated by students and our new central campus Student Centre, 'One Elmwood', including a new Students' Union, with over 200 clubs and societies, is the focal point for the delivery of integrated and holistic support services.

A dynamic and diverse city in which to study and work, Belfast is now a leading global location for investment projects and major developments in innovation and enterprise.

The Belfast Region City Deal will unlock £1 billion of transformative co-investment and we are proud to be an innovation partner, leading projects in advanced manufacturing, clinical research and secure, connected digital technologies, linking into UK and all-Island networks.

Our beautiful, vibrant campus is located in the heart of the city, a cultural hub, with great food and a lively social life. Safe, fun, friendly and compact, Belfast is also one of the most affordable student cities in the UK.³

Our hope is that every undergraduate is enriched by their time at Queen's University Belfast, and we look forward to welcoming you to Queen's.

WHAT OUR INTERNATIONAL STUDENTS SAY

Kiran Chia
BSc Business Management with

Malaysia

“Queen’s University Belfast is a prestigious member of the highly acclaimed Russell Group of universities and is a great representative of global higher education. I was particularly intrigued that Queen’s is the ninth oldest higher education provider within the UK, illustrating over 170 years of academic heritage which will provide a life-changing student experience. Additionally, of the 24 universities that form the Russell Group, QUB is the fastest-growing in terms of international student intake, serving as a home away from home for non-native students like me.

QUB invested a good amount of money to develop cutting-edge facilities, which I think is very crucial for student development. With its FinTru Trading Room equipped with Bloomberg Terminals to its research facilities for the health and life sciences, its engineering hubs, and the magnificent McClay Library, I could not turn down such an opportunity”

Yuancong Xu
BSc Business Management with

China

“Queen’s University Belfast has a cooperation program with my university in China. Because of this opportunity, I could come to Queen’s and get different resources to further my major. Secondly, before I came to Queen’s, I heard that the students here are very international. I think this environment is beneficial to me. As an international student, I can improve my ability in language and accepting different cultures. Last but not least, Queen’s University is located in Belfast, the capital of Northern Ireland. This is a place with a deep history and beautiful natural scenery. The local people here are very friendly. At the same time, it is also the place with the lowest average expenditure for international students in the UK. Studying and living in Belfast makes me joyful”

Muhammad Mustafa Khan
BEng Mechanical Engineering
Pakistan

“I came to Belfast by mere luck, but once I got here I realised it was my new home. The people are welcoming and if you can handle unpredictable weather then Belfast should be a breeze.

Queen’s became a very integral part of who I am, with different experiences and the few friends I’ve found, I would say Queens has helped me find myself.

I play cricket and football, there are a lot of clubs for each sport for all levels, and if you’re a sports fanatic like me, you’ll start playing in the big leagues as well”

Haifei Lu
BSc Accounting
China

“Studying at Queen’s, you will experience high-quality teaching process provided by excellent lecturers who are very willing to share their all knowledge and fully answer questions we have during each semester.

In addition to the comprehensive academic improvement, you will also develop your interpersonal skills and independent thinking underpinned by program structure such as a presentation in the middle of the semester and discussions with other students in each tutorial”

WHAT OUR INTERNATIONAL STUDENTS SAY

Wanyuan Zhang
BSc Accounting and Economics
China

“When collecting information about British universities to prepare for my study abroad plan, I was deeply attracted by Queen’s University Belfast’s spectacular architecture. The beautiful campus and landscape left a deep impression.

In addition, my Accounting major in Queen’s University is ranked as one of the leading programmes in the UK. The teaching quality and professionalism are guaranteed, which will bring great advantages to my study.

When I came to Belfast, the comfortable life and scenic city viewing brought me many surprises. I fell in love with this place and adapted to the life here in a short time. Moreover, I am able to get to all the sights in Northern Ireland easily by various means of transport in the vicinity of our university, and this enriches my extracurricular life”

Saad Ahmed Qureshi
BEng (S) Electrical & Electronic
Engineering
Pakistan

“I chose Queen’s partly because I wanted solid Education from a quality Russel Group University while also being relatively affordable as Belfast is one of the cheapest student cities to live in. Wanting to explore the beautiful coasts of Northern Ireland and live music culture of Belfast were among the other top reasons. And of course being the premier shooting place for Game of Thrones was a bonus. I have found the people to be quite friendly and the city vibrant with events year round which has been wonderful”

Yue Ren
BSc Business Management
China

“The teaching quality of Queen’s University Belfast is very high, the facilities are modern, and it attaches great importance to meeting the welfare requirements of students. Belfast is a large industrial city and has the lowest crime rate in the UK so it is very safe. The city centre is very convenient to meet diversified shopping needs and the prices are low. St. George’s Market is one of the oldest markets in Northern Ireland, where you can find all kinds of local Irish food, as well as antiques, second-hand books, clothes, etc. Come here to see when you are not busy, it can best reflect the real “breath” of a city”

Manmin Gu
BSc (S) Business Management
India

“My time at Queen’s has been nothing short of incredible. I arrived in Belfast in 2021 and was immediately taken aback by its beauty and the warmth of its people. I’ve made friendships that will last a lifetime. Aside from studying, Queens has provided numerous opportunities for growth. Extracurricular activities aided in moulding me into the person I am today. It has given me more confidence and skills. I feel prepared to face the world”

GETTING HERE

BY PLANE

Belfast has two airports, George Best Belfast City Airport, and Belfast International. Flights from Belfast to the rest of the UK take less than an hour, and are reasonably priced*.

BY BOAT

The two main Belfast routes are from Liverpool and Cairnryan. An alternative route runs from Holyhead to Dublin, with excellent motorway connections between there and Belfast.

BY BUS AND TRAIN

Queen's is a five minute walk from Botanic Train Station. A connection to Dublin is just one stop away, via Belfast Central Station. Coach and bus services arrive at Great Victoria Street, which is also connected by rail.

BY CAR

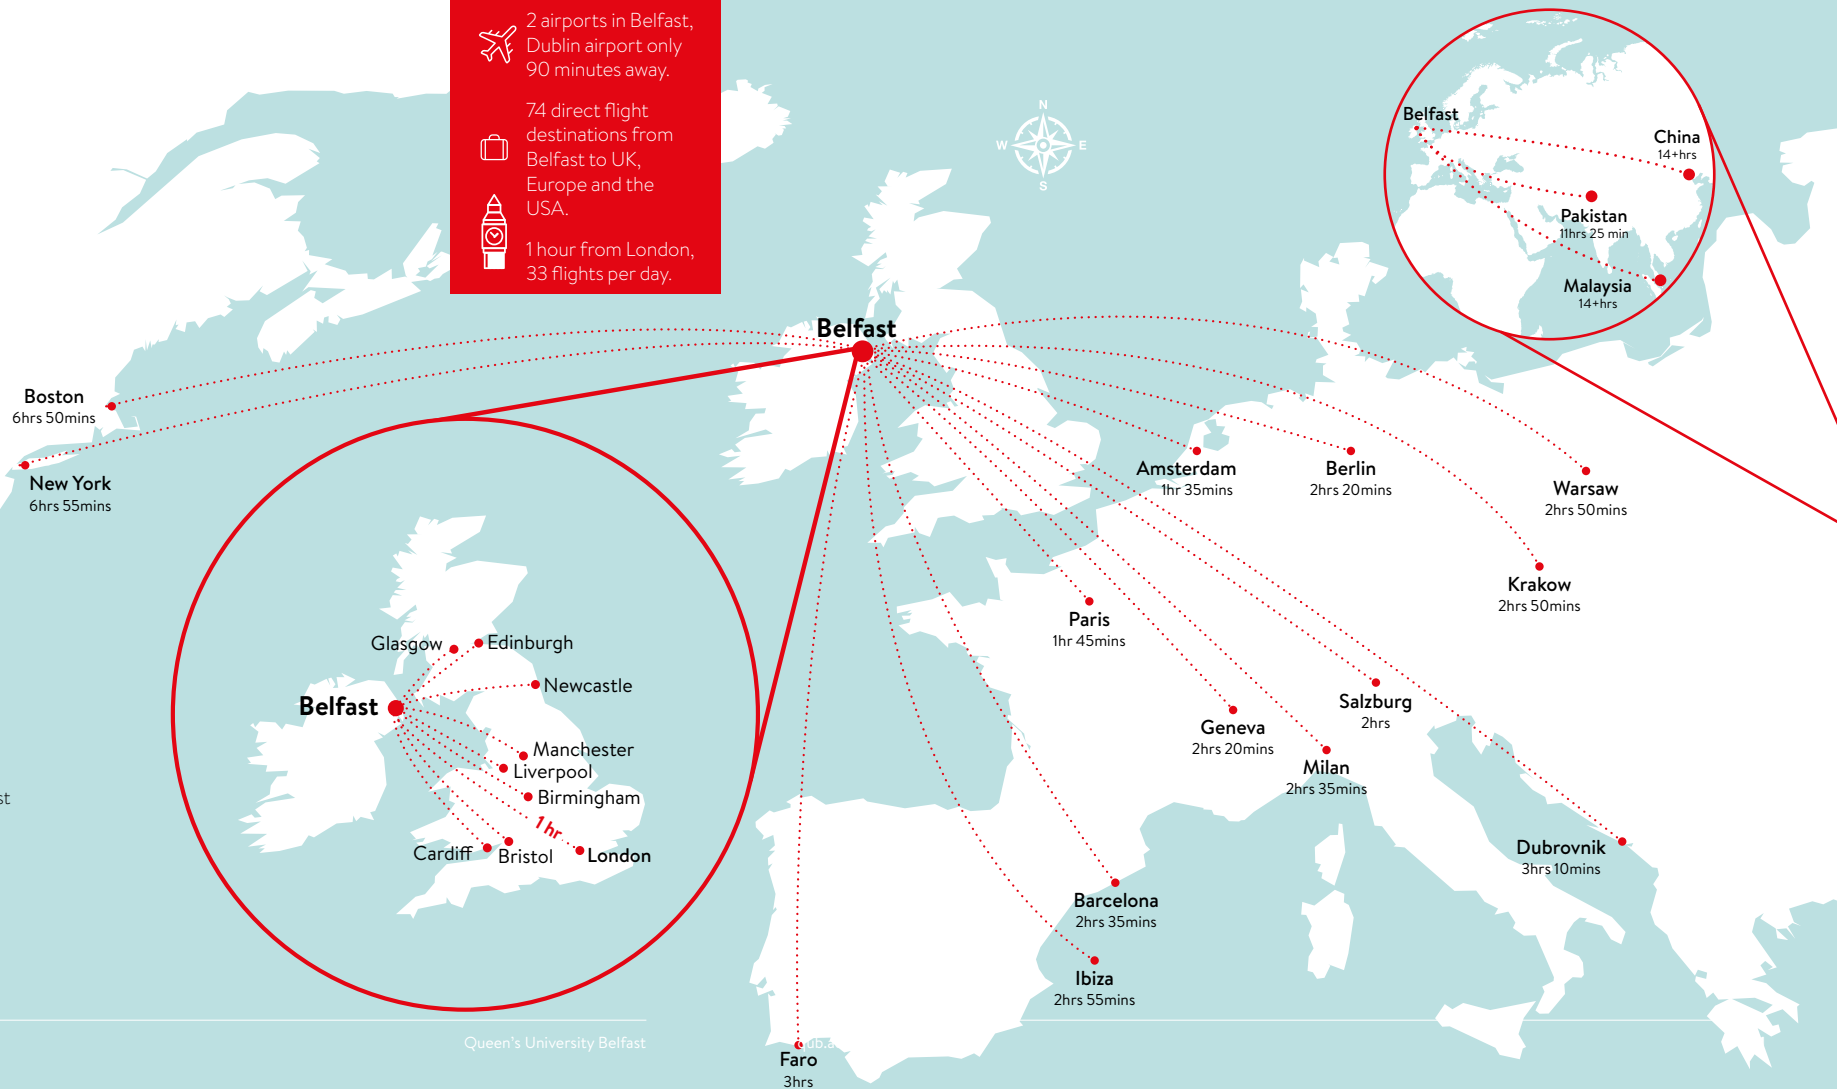

Queen's is located in south central Belfast and as such is close to both Northern Ireland's main motorways, connecting it easily with the rest of Ireland.

*Based on average flight times from 6 major UK cities

✈️ 2 airports in Belfast, Dublin airport only 90 minutes away.

🛫 74 direct flight destinations from Belfast to UK, Europe and the USA.

🕒 1 hour from London, 33 flights per day.

BELFAST

FRIENDLY, AFFORDABLE, FUN

**Belfast has the lowest cost
of living in the UK**
(Mercer Cost of Living
City Ranking 2021)

Belfast is renowned for its warm welcome, so wherever you drop into for a bite to eat, drink or chat you'll be made to feel at home. Belfast is a modern capital city, welcoming, easy to get around and an affordable place in which to live and study. As Belfast flourishes as a global food, culture, arts and shopping destination, Queen's is at the social and cultural heart of the city.

BEST FOR YOUR BUDGET

You don't need to break the bank to enjoy a day out in Belfast. On a student budget there are lots of free activities, from events and festivals, city tours, exhibitions to a karaoke night.

Belfast is a city of artists, poets, writers and musicians who are celebrated in arts venues such as The MAC and the Black Box. Highlights include Culture Night and Belsonic.

NUMBER ONE REGION IN THE WORLD TO VISIT

Belfast is one of Europe's most hip and vibrant capital cities – just ask the experts at Lonely Planet who love the city for its energy, lively atmosphere, and 'dynamic young population that keeps the city on trend! The beauty is that it's all packed into a compact city that's easy and safe to explore.

STREET FOOD, BELFAST STYLE

You'll find the old staples on the menu everywhere, especially fish and chips. Like everywhere, Veganism is a hot topic and Belfast is vegan-friendly. Just look about, lots of places will have vegan and veggie options. Hungry hipsters developed their own movement across the city, with decor and food to match. There are any number of brilliant baristas too, with gourmet coffees, tray bakes, and upmarket snacks to go. The City Food and Craft Market, St George's Market, every Saturday, is a bazaar of smells, tastes and foodie attractions. Local produce, live music and events make it a must-do weekend stop. Belfast is steeped in the culture of international food, and you'll find everything from Chinese, Indian and Thai to Cuban food across the city.

CULTURE ALL OF OUR OWN

A CITY OF CULTURE

Beautiful architecture, art galleries and museums, such as the Ulster and Titanic Museums, shape the city's unique character. There's a thriving music and arts scene in a modern cultural landscape of cool gig venues, pop-up theatres and urban festivals.

Queen's University is at the heart of a city of artists, poets, writers and musicians celebrated in the Cathedral Quarter, with its busy restaurants, pubs and arts venues, such as The MAC and the Black Box. The energy of the city is tangible in the legendary nightclubs, artisan cafes, cloth-cap bars and cobbled streets, where street art, street food and street markets deliver a colourful punch at every turn.

GETTING AROUND

Most students spend the majority of their time on foot and walking to the city centre takes no more than 10-15 minutes. The city is well connected by frequent bus and train services, with student travel discounts widely available. The Belfast Bikes public bicycle rental scheme provides a flexible way to get around Belfast.

BEYOND THE CITY

Northern Ireland is internationally renowned as a film location, most famously for HBO's Game of Thrones filmed around the countryside and coast. Belfast is your gateway to the rest of Northern Ireland and from coastline to mountains there's plenty to explore. Belfast and the Causeway Coast has been named the Number One region in the world to visit in 2018.

NORTHERN IRELAND'S LEGENDARY BEAUTY

Whether you're on a pilgrimage to the famous *Game of Thrones* filming locations or you fancy exploring caves, castles and coastline, you'll find it all within an hour's drive of Belfast.

The world is catching on to the secret that locals have always known: Northern Ireland is one of the most beautiful places on the planet. Just ask the experts at Lonely Planet who recently lauded Belfast and the Causeway Coast as the number one region in the world (2017). From golden beaches to lush forests, as a student in Belfast, the region's most breath-taking landscapes will be right on your doorstep.

Spend your downtime testing your nerve crossing the death-defying Carrick-a-Rede rope bridge. Alternatively, scale the heights of our tallest peak, Slieve Donard, set in the picturesque Mourne Mountains – an Area of Outstanding Natural Beauty and the inspiration for CS Lewis' magical world of Narnia.

You can also follow the 22-mile Mourne Wall, featured in *Game of Thrones*. And if you're a fan of the hit HBO show, you can't afford to miss a trip to the Dark Hedges. This twisted avenue of light and shade is one of Northern Ireland's most photographed natural phenomena, and doubles as the King's Road in the series.

WE'RE A GLOBAL UNIVERSITY

Over 24,000 students live and study at Queen's. Over 92 countries are represented globally. We also employ more than 650 international staff drawn from over 70 nationalities.

Part of the elite Russell Group, Queen's is a truly international university, ranked 17 in the world for international outlook (Times Higher Education World University Rankings 2022). We offer an international student experience for everyone – no matter where you're from. With links to over 250 universities and 3,000 employers around the world, you'll gain career-defining access to our inspiring worldwide network that spans 92 countries. We reward hard work and excellence, and every year we offer £1.5m of scholarships to international students (see page 57 for details). Our global outlook offers all our students the opportunity for personal growth and development, further strengthening your position on the global job market.

A COSMOPOLITAN CAMPUS

We're proud that Belfast is a socially-diverse and inclusive city. One of the best ways to appreciate the diversity we have on campus is through the array of multicultural events that take place – such as an Indonesian Culture Show and the Chinese New Year celebrations. Culture Shock showcases dancing and music from Ireland to Malaysia and everywhere in between.

SUPPORTING OUR INTERNATIONAL STUDENTS

Our global campus community offers a friendly, multicultural and safe environment. If you're coming to Queen's from outside the UK, you can expect:

- Faith provision for all major religious denominations, including wellbeing room on campus.
- Easy access to speciality foods such as halal butchers, and Asian and Polish supermarkets, as well as international restaurants (see page 33).
- A guaranteed place in Queen's accommodation with living options including same-sex living, no-alcohol living and quiet living (T&Cs apply, application must be completed by 30 June 2023, see website for further details).
- A dedicated engagement programme on arrival
- Support and advice on everything from healthcare to visa applications.

ONE ELMWOOD

STUDENT CENTRE AND STUDENTS' UNION

From talking to like-minded people, to getting support when you need it, you'll find everything you need in One Elmwood.

There's advice on careers from our dedicated employability team; a comprehensive range of free, flexible, and responsive support services from Student Wellbeing; support from the Learning Development Service and the Widening Participation Unit; financial support; access to Disability Services; and visa and immigration help from our Immigration Support Service Team. An open-plan, modern space, One Elmwood is efficient, cheap to

run, sustainable, and a net-zero-ready building, future-proofed for generations to come. It's equipped with gender neutral toilets; accessible toilets; baby changing facilities; parenting rooms; and quiet rooms for reflection.

The new Students' Union is a vibrant social hub with the newly revamped Mandela Hall, Union Bar, the Union Shop, outdoor terraces, multiple hang out spaces and tech friendly study spaces right where you want them. The Union Bar - let's call it your local - has an outdoor terrace, great food, pool tables, quizzes, and music.

SU CLUBS AND SOCIETIES

Why not make the most of your time at Queen's by joining one of our 165 societies or 55 clubs? There are so many reasons to get involved but many students find it's a great way to make friends and meet like-minded people. They give you a little bit more: more fun; more time to be part of something; more time to find out about you. Many courses have related societies, but they do much more than discuss

what happened in your latest lecture - including organising social events and fundraisers. Academic societies can also help enhance your studies and your career opportunities in the process.

WE HAVE OVER 220 CLUBS AND SOCIETIES

MAKE MORE OF YOU SPORTING ACTION

Since our foundation in 1845, sport has played an important part in the Queen's student experience. Today, we're one of the premier sporting universities in the UK and Ireland, and we encourage all our students to benefit from the positive effects of sport – whatever your level.

Our world-class indoor and outdoor sporting facilities will help you lead a healthy, active lifestyle, and are ideal for recreational, competitive or high performance athletes. We've invested over £20m in recent years improving our state-of-the-art facilities so there are even more opportunities for you to work-out and play.

There are over 50 sporting clubs, giving opportunities for students of all abilities to compete, socialise or get active, and our campus-wide sports programme encourages participation in a range of activities throughout the academic year.

We host a weekly ParkRun at our Outdoor Sporting Facility at Upper Malone, as well as our annual Deep RiverRock 5K race, which attracts thousands of recreational runners. We have also recently launched an Active Campus initiative with sporting activities and programmes to suit everyone – no matter what your interests.

QUEEN'S SPORT MEMBERSHIP

Located next to the main campus you will find the hub of Queen's Sport - the Physical Education Centre (PEC). Here you will have the opportunity to exercise using state-of-the-art fitness and exercise facilities. Guided by knowledgeable and friendly staff, we can get you started and keep you going, whatever your level of fitness. We are open from 6.30am to 10pm on weekdays and 9.00am to 6pm on weekends.

ENABLING YOUR FUTURE CAREER

FUTURE READY

Whatever your degree subject, our specialist Careers team can support you to build your experience and your professional network, preparing you for the world of work. You can visit leading global organisations, take on business games or tackle a real-world challenge! We understand what employers are looking for in students and graduates, so the skills we help you build will benefit you forever.

“The Careers in Law Insight Programme was the most memorable experiences I had at Queen’s. Over three days, we interacted with solicitors and barristers and really got to understand the whole legal landscape across Northern Ireland and beyond.”

Choo Yi Kang
LLB Law Graduate

CONNECTING YOU WITH EMPLOYERS

Many employers hire graduates that they already know, and you’ll have plenty of opportunity to meet employers on campus through Careers Fairs, employer panels and industry workshops. Whether you are looking for a funded summer internship, a short-term real-world work project, or to road test a career with work experience, we can help you put what you’ve learned on your course into practice, enhancing your CV and graduate prospects.

EMPLOYER-SPONSORED SKILLS AWARD

DegreePlus allows you to gain accreditation for both personal development and work-related activities that you undertake outside of your degree. The award is supported by employers who recognise the value of extracurricular experience. Over 2,000 students graduate with DegreePlus every year.

Our Careers team will work with you to boost your CV, your employability and your confidence during your time at Queen’s. You’ll enjoy access to one-to-one careers guidance, and benefit from a range of development opportunities, both at home and abroad, designed to equip you with the skills you need to stand out in the competitive graduate job market.

PROFESSIONAL DEVELOPMENT OPPORTUNITIES INCLUDE:

- **MyFuture** – A career management system that allows you to search jobs and book events or an appointment with one of our Career Consultants.
- **Development Weeks** – Two weeks in the academic year providing all students with dedicated time and space to take part in extracurricular activity and gain DegreePlus Accreditation.
- **Industry Insights** – From tech to digital communications and consulting, our workshop series has all the insights, advice and tips you need to land your dream role!
- **Insight Into Management** – This fast-paced three-day event of business games and challenges is designed to develop your teamwork, management, leadership and presentation skills.

ENTERPRISE AND ENTREPRENEURSHIP

We prize entrepreneurship and academic ability. So we’re proud to say our graduates play a leading role in the senior management of 80 of Northern Ireland’s top companies. We also work with the team of enterprise advisers in the Students’ Union who are there to support students in starting businesses through free advice, incubation space, enterprise programmes and competitions.

INTO QUEEN'S UNIVERSITY BELFAST

INTO Queen's University Belfast provides a range of academic and English language courses to help prepare International Students for future study at Queen's. At the INTO Queen's Centre, you'll find modern facilities, an inspiring learning environment and staff dedicated to the highest standards of teaching and personalised student support.

INTO ENGLISH LANGUAGE COURSES

INTO Queen's offers a range of courses that are specially designed for international students, helping them to improve their English language and study skills to the level required by their chosen course.

ACADEMIC ENGLISH

With start dates in April, June, September and January each year, Academic English offers students a flexible way to improve their IELTS score by up to one point per term.

PRE-SESSIONAL ENGLISH

Pre-sessional English courses of four, six or 10 weeks are available for students who hold offers from Queen's University and need to improve their standard of English before commencing their degree programmes. Your course length will depend on your current language level and degree requirements. Depending on your level of English, you will receive a Confirmation of Acceptance for Studies (CAS), which covers the Pre-sessional English course only, or a joint CAS, which covers both the Pre-sessional English course and your degree programme. You can also apply online at: go.qub.ac.uk/zkjbcc

APPLYING TO QUEEN'S

UNDERGRADUATE

Most undergraduate students make their applications through UCAS (Universities and Colleges Admissions Service). The UCAS application deadline for International Students is 23 June 2023, except for those applying for Medicine and Dentistry who should apply by 15 October 2022. Applicants should apply online at: ucas.com

A Direct Entry Application form can be used by international applicants who wish to apply directly, and only, to Queen's or who have been asked to provide information in advance of submitting a formal UCAS application. The direct application must not be used to apply to Medicine or Dentistry.

POSTGRADUATE

Postgraduate applicants should use the Online Application System for the majority of taught courses and research programmes at Queen's. For full details of the Undergraduate and Postgraduate application procedures, please visit: go.qub.ac.uk/0kjbc

ENGLISH LANGUAGE REQUIREMENTS

Applicants will normally need to demonstrate a minimum level of proficiency in English language equivalent to an overall score of IELTS Academic 6.0, or TOEFL 80 (internet-based test); however, many courses have higher requirements. Please note that minimum scores will be required in each component of the test.

More information about acceptable English language qualifications can be found at: go.qub.ac.uk/2kjbc

Guidance regarding the acceptability of qualifications from other countries is available at: go.qub.ac.uk/yourcountry-region

For full details of programme entrance requirements, see the Queen's online Course Finder: qub.ac.uk/courses/

ADMISSIONS AND ACCESS SERVICE

The Admissions and Access Service processes the vast majority of applications to the University. We have a team dedicated to handling applications from International Students, who can provide answers to any queries you might have about entry requirements and how to apply. Please see: go.qub.ac.uk/3kjbc

VISA AND IMMIGRATION

Visa and immigration requirements can sometimes seem intimidating; Queen's provides a high level of support and advice on UK student visas directly for you. Working within the Office of the Immigration Services Commissioner's code of standards (OISC), the Immigration Support Service team is here to help you make a smooth transition from your home country to life in Belfast.

For information on how visa requirements are calculated, as well as Points Based System (PBS) and your Confirmation of Acceptance for Studies (CAS) number, please see: go.qub.ac.uk/4kjbc

EXPLORING EUROPE

During your time at Queen's, we hope you will take the opportunity to travel to other countries. You may decide to do this during vacation periods for tourist purposes, or you might go on a field trip with your School. Travelling will widen your knowledge and understanding of other cultures and enhance your experience in the UK. If you will be travelling, you may not need a separate visa (depending on your nationality). For more information on travelling within Europe, including visa requirements, visit the UKCISA website.

MEET QUEEN'S STAFF

Our International Office staff attend educational events in several countries and are available for admissions advice and guidance.

For more information, please contact the international office:

COURSE DIRECTORY

The University welcomes applications from international students, and details about the acceptability of qualifications from other countries are available on the University's website at: go.qub.ac.uk/5kjbc

Our degree courses are listed alphabetically in the following tables and include the minimum grades required in terms of A-levels. Alternative international qualifications awarded by a recognised organisation may be accepted in lieu of A-levels. Prospective applicants should check the most up-to-date course requirements before applying. For full details of our entry requirements for each course, please refer to qub.ac.uk/courses

Where alternative A-level grades are listed in Column 6, specific subject requirements may apply for the lower offer. It should be noted that some courses require specific A-level subjects and grades and/or specific GCSE subjects and grades (or equivalent qualifications). Please refer to the Course Finder on the University's website, which will have current grade and subject requirements: qub.ac.uk/courses

Where a course offers a placement option, this is indicated 'Y' in the placement column. Students taking the placement will have an additional year added to their course. Those participating normally receive remuneration.

Column 3 shows the duration of the course in years. Courses involving the study of a foreign language as a Single, Major or Joint Honours subject normally require a year to be spent in the appropriate country (or countries, in the case of Joint Honours).

This undergraduate guide is prepared well in advance of the 2023 academic year to which it relates. Therefore, the entry requirements stated here are for guidance only.

Further details about selection procedures are available in the individual degree programmes listed at qub.ac.uk/courses under 'Entry Requirements'. This includes a section on 'How we Choose our Students'.

* The IELTS scores listed in these tables are the minimum overall score requirements. Unless otherwise indicated (**), the minimum score required in each test component is normally 5.5.

** Minimum scores vary for each component of the IELTS test. Please refer to the University's Course Finder for individual programme requirements at: qub.ac.uk/courses/

Details of other English language qualifications acceptable to the University are available on our website at: go.qub.ac.uk/EnglishLanguageReqs

¹ Indicates courses which are offered with and without a Sandwich year option; or where a Sandwich year (or shorter placement) is normally a required element of the degree programme, but international students can (under exceptional circumstances) be exempted from it. Students undertaking a year of professional experience (Sandwich year) do not need a work permit

as long as the placement is in the UK. Students who do not take the year of professional experience are transferred to an equivalent programme without the extension 'with Professional Experience' in the title.

² These programmes are not suitable for international candidates who are already qualified nurses and midwives in their own country, as much of the learning would be repeated. Applicants should instead consider the BSc Honours Nursing (Top-Up) or BSc Honours Health and Clinical Studies.

Disclaimer: Queen's University Belfast has made all reasonable efforts to ensure that these lists are accurate and up to date when compiled, but can accept no responsibility for any errors or omissions. The University reserves the right to revise, alter or discontinue courses of study. Entry may be restricted by number or quality of entrants.

INTERNATIONAL BACCALAUREATE

Queen's welcomes applications from International Baccalaureate (IB) Diploma students.

Offers will normally be conditional upon successful completion of the IB, to include three subjects at Higher Level (with scores between 6,6,6- 5,5,5), in addition to an overall score (normally between 29 and 36 points). Points obtained for the Extended Essay and Theory of Knowledge can count towards the total.

The table below shows the IB requirements compared to the University's UK A-level entry requirements. We may also require specific grades in relevant Higher Level subjects. Details of the A-level grades and any specific subject requirements for each programme may be found in our Course Finder AT qub.ac.uk/courses/

Please note that these grades should be treated as a guide as variations may occur in certain circumstances.

A-level grades	International Baccalaureate Diploma
AAA	36 points overall including 6,6,6 at Higher Level
AAB	34 points overall including 6,6,5 at Higher Level
ABB	33 points overall including 6,5,5 at Higher Level
BBB	32 points overall including 6,5,5 at Higher Level
BBC	30 points overall including 5,5,5 at Higher Level
BCC	29 points overall including 5,5,5 at Higher Level

ENGLISH LANGUAGE REQUIREMENTS

Applicants should also hold an acceptable English language qualification at the appropriate level. English (Syllabus A) with a score of 4 at Standard Level or 4 at Higher Level will normally meet the English language entry requirement for the majority of our programmes. English (Syllabus B) with a score of 5 at Standard Level or 4 at Higher Level is also acceptable. However, please note that English language requirements may vary depending on your chosen programme. Please refer to our Course Finder for English language requirements by programme.

Applicants who are not studying English as part of the International Baccalaureate Diploma should refer to the full list of other acceptable English language requirements.

MATHEMATICS REQUIREMENTS

We will accept both Mathematics Standard Level and Mathematical Studies Standard Level in lieu of GCSE Mathematics. The corresponding grade requirements are:

GCSE	IBD Standard Level
A	6
B	5
C	4

HOW AND WHEN TO APPLY

HOW TO APPLY

Applications for admission to full-time undergraduate and sandwich courses at the University should normally be made online through the Universities and Colleges Admissions Service (UCAS). Full information can be obtained from the UCAS website at: ucas.com/apply. Details of the application process can be obtained from your school, or from British Council offices. Please note

that the UCAS code name for Queen's is QBELF and the number is Q75. These should be entered in the Choices section of your UCAS application. Please note a Campus Code is not required.

WHEN TO APPLY

UCAS will start processing applications for entry in autumn 2023 from 1 September 2022. For most courses, the closing date for the receipt of applications from international students is **30 June 2023**

(18:00), however, for applicants whose choices include Medicine and Dentistry the closing date is **15 October 2022 (18:00)**. In addition, applicants for Nursing, Midwifery and Social Work programmes must apply by **25 January 2023 (18:00)**.

Applicants are encouraged to apply as early as is consistent with having made a careful and considered choice of institutions and courses. Decisions are made on a rolling basis.
