

WHAT OUR INTERNATIONAL STUDENTS SAY

BELFAST IS BEST

"I really enjoy studying at Queen's and I have found the staff to be very helpful and supportive to me as an international student. Belfast is better than other large UK cities, like London, as it is quieter and allows me time to focus on my studies."

Yaqi Yang, BSc Environmental Management, from China

TOP QUALITY PROGRAMMES

"I chose this university for its top-quality conflict studies programmes and innovative opportunities to engage in dialogue with not only world-leading researchers, but also with the local communities."

Megan Stith, BA International Politics and Conflict Studies, from USA

A FANTASTIC DEGREE AND CAREER OPPORTUNITIES

"If you come and study at Queen's University Belfast you're going to get a fantastic degree and career opportunities. You'll experience an entirely different country and culture so, to any Indian student thinking of coming to Queen's, I personally vouch, this would be a very good decision."

Shaheer Haider, MB BCh BAO Medicine, from India

'THE PEOPLE ARE MUCH NICER HERE!'

Irish students are really friendly. I applied to INTO first which taught me a lot in preparation for life and study at Queen's. The Malaysian Society at Queen's is quite big. They do a lot of activities to make Malaysians feel at home. In Belfast living costs are very low. I stayed in Halls of Residence in 1st year and the security is really, really good. It's very safe. You can go out in the streets at 3am and it doesn't really matter. It's very convenient to get around, most things are walking distance, or a short bus ride. Belfast, it's very convenient to get by."

Kimberly Wong, BSc Finance, from Malaysia

'I FELT SUPPORTED FROM THE START'

"The communication from the staff at Queen's was extremely quick and helpful right from my first email inquiry. None of the other UK universities I visited offered the same level of facilities and support that is available to students at Queen's. The friendly and helpful staff made me feel comfortable straight away and the activities during Welcome Week made it easy to meet people and made the transition to my new life in Belfast much easier. Queen's provides a world-class student experience."

Saad Almohammed, LLB (Hons), LLM, PhD Researcher, from Kuwait

'QUEEN'S FELT LIKE HOME IN NO TIME'

"You are guaranteed a warm welcome at Queen's, which starts with a meet-and-greet at the airport. During International Welcome Week, there are lots of opportunities to meet new people, with different activities ranging from competitions to pub crawls and traditional dancing. The Buddy scheme means you can discover this new place together with other international students. The support network at Queen's made the transition to life in Belfast easy, and Queen's felt like home in no time."

Maria Luiza Amadeu Henriques dos Santos, LLM International Business Law, from Brazil
