BOLD FIRST STEPS

LIFE-CHANGING JOURNEYS START WITH BOLD FIRST STEPS

At Queen's University Belfast GIFT City Campus, you're not just earning a degree; you're becoming a part of something bigger. Queen's GIFT City is where learning meets opportunity, ambition meets action, an environment where you have the chance to shape the future.

WE ARE COMMITTED TO TRAINING STUDENTS TO BE THINKERS, LEADERS AND INNOVATORS, NOT JUST SUBJECT EXPERTS

"At Queen's GIFT City Campus, this commitment shapes everything. From our teaching to our culture, we create the kind of learning environment that prepares students for real-world impact. We nurture confident, curious minds, ready to step into careers with purpose — and equipped to lead, adapt and thrive."

Prof. Margaret Topping,
Pro-Vice-Chancellor for
Global Engagement,
Queen's University Belfast

RUSSELL GROUP EXCELLENCE

**FOR 180 YEARS,
QUEEN'S HAS
NURTURED LEADERS,
INNOVATORS, AND
CHANGEMAKERS**

As one of the oldest universities in the United Kingdom and as a member of the Russell Group – the UK's elite research universities – we've pioneered boundary pushing research, academic excellence, and contributed to meaningful real-world change. We're excited to build upon our legacy of innovation and global impact by being the first Russell Group University to open a campus in GIFT City.

AN AFFORDABLE UK MASTER'S DEGREE

A WORLD-CLASS
EDUCATION SHOULD
BE WITHIN REACH
FOR EVERYONE

At Queen's University Belfast GIFT City Campus, it is. You'll achieve an accredited UK Masters degree at a fraction of the cost, no visa required, and without the financial implications of relocation or international living expenses. Invest in an internationally renowned education all without leaving home. No compromises, just a smarter way to study.

ONGOING GUIDANCE

Continued support as you transition from study to career.

A photograph of three young adults, two men and one woman, walking outdoors on a path with trees in the background. They are all smiling and looking towards the right. The man on the left is wearing a light blue button-down shirt and a backpack. The woman in the center is wearing a black top and a light pink cardigan, holding a green folder. The man on the right is wearing a white and grey striped polo shirt and glasses, also with a backpack.

DEGREE PROGRAMMES

MSc BUSINESS ANALYTICS

QUEEN'S UNIVERSITY
BELFAST –
GIFT CITY CAMPUS

DURATION:
1 YEAR, FULL-TIME

FOR ENTRY:
2026/27

ENTRY REQUIREMENTS

- Bachelor's degree from a recognised Indian institution with 53–55%+ (UK 2:2 equivalent)
- Degree may be in any discipline, with one quantitative module or a quantitative dissertation
- Relevant work experience may be considered on a case-by-case basis

PROGRAMME OVERVIEW

This MSc meets the growing demand for professionals who can transform data into strategic insight. Designed for graduates from a range of backgrounds, the programme combines business knowledge, statistics, and computing to develop the skills needed for real-world analytics. Students explore the use of data in areas like marketing, HR, and decision-making, while gaining technical expertise in tools such as machine learning, text mining, and data management.

The programme includes eight modules, pre-course training, and a final dissertation where students apply their learning to solve a real business challenge.

ENGLISH REQUIREMENTS

- IELTS 6.5 (min. 5.5 in each band), taken within the last 2 years
- OR Indian Standard XII English (CBSE/ CICSE/etc) with 70%+ (valid 7 years)
- Digilocker verification and Admit Card ID required

MODULES

Statistics for Business

HR Analytics

AI in Business and Society

Data Management

Data-Driven
Decision Making

Data Mining

Marketing Analytics

Advanced Analytics
and Machine Learning

FURTHER INFO AND TO APPLY

CAREER PROSPECTS

Graduates are prepared for roles in analytics, consultancy, data science, and decision intelligence across industries in India and globally. Typical roles include:

- Data Analyst
- Business Analyst
- Consultant
- Software Engineer
- Decision Intelligence Specialist

FEES AND FUNDING

- Tuition: £15,000
- £2,000 scholarship available for 2026 entry
- Students should budget for learning materials, devices, and printing

MSc CONSTRUCTION AND PROJECT MANAGEMENT

QUEEN'S UNIVERSITY
BELFAST –
GIFT CITY CAMPUS

DURATION:
1 YEAR, FULL-TIME

FOR ENTRY:
2026/27

ENTRY REQUIREMENTS

- Bachelor's degree from a recognised Indian institution with 53–55%+ (UK 2:2 equivalent)
- Degree in Science, Engineering, Architecture, Management, or relevant Social Science
- Professional qualifications and experience may be considered

PROGRAMME OVERVIEW

This MSc prepares students for leadership in project management—within the construction industry and beyond. You'll develop skills to plan, monitor, and deliver complex projects by integrating technical, commercial, and leadership expertise. With a focus on sustainability, students apply project management principles to real-world challenges across construction and infrastructure.

FURTHER INFO AND TO APPLY

ENGLISH REQUIREMENTS

- IELTS 6.5 (min. 6.0 in each band), taken within the last 2 years
- OR Indian Standard XII English (CBSE/ CICSE/etc) with 75%+ (valid 7 years)
- Digilocker verification and Admit Card ID required

MODULES

Procurement, Contract Administration and Law

Research Methods for Managers

Facility / Asset Management

Organisations, People and Leadership

Construction Economics and Finance

Project Planning for Sustainability

Project Management, Planning and Control

BIM in Practice

Dissertation

CAREER PROSPECTS

Graduates are equipped for roles in infrastructure, consultancy, development, and public sector project delivery. Typical roles include:

- Project Manager
- Contract Manager
- Design Manager
- Project Engineer
- Planner

FEES AND FUNDING

- Tuition: £15,000
- £2,000 scholarship available for 2026 entry
- Students should budget for learning materials, devices, and printing

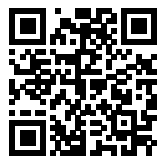

ENTRY REQUIREMENTS

- Bachelor's degree from a recognised Indian institution with 55–57%+ (UK 2:2 equivalent)
- Degree in Finance, Maths, Economics, or other quantitative subjects
- Science/Engineering may be considered if mathematical
- Strong module performance required

PROGRAMME OVERVIEW

This MSc is ideal if you're interested in financial markets, institutions, and decision-making—regardless of whether your background is in finance. You'll develop core knowledge in asset pricing, banking, and corporate finance, alongside advanced skills in data analytics and financial modelling using Python. The programme combines theory with practical, hands-on simulations to prepare students for careers in banking, FinTech, and consulting.

FURTHER INFO AND TO APPLY

ENGLISH REQUIREMENTS

- IELTS 6.5 (min. 5.5 in each band), taken within the last 2 years
- OR Indian Standard XII English (CBSE/ CICSE/etc) with 70%+ (valid 7 years)

Asset Pricing
Financial Market Structure
Corporate Finance
Financial Data Analytics
Advanced Financial Data Analytics
Financial Modelling in Python
Money and Banking
Derivatives
Dissertation

CAREER PROSPECTS

Graduates are well-placed for careers in finance, banking, investment, and consulting in India and globally. Typical roles include:

- Investment Analyst
- Portfolio Analyst
- Equity Research Analyst
- Energy Trader
- Financial Consultant

FEES AND FUNDING

- Tuition: £15,000
- £2,000 scholarship available for 2026 entry
- Students should budget for learning materials, devices, and printing

MSc FINANCIAL ANALYTICS

ENTRY REQUIREMENTS

- Bachelor's degree from a recognised Indian institution with 55–57%+ (UK 2:2 equivalent)
- Degree in Finance, Maths, Economics, or another quantitative subject
- Science/Engineering accepted if sufficiently mathematical
- Lower grades with relevant experience considered case-by-case

PROGRAMME OVERVIEW

This MSc bridges financial decision-making and data science, equipping students with the dual skillset needed in FinTech and financial services. You'll develop expertise in analytics, modelling, machine learning, and programming, while gaining insight into financial markets and technologies. The programme prepares students for roles at the intersection of finance and technology, with a strong focus on real-world tools and simulation-based learning.

ENGLISH REQUIREMENTS

- IELTS 6.5 (min. 5.5 in each band), taken within the last 2 years
- OR Indian Standard XII English (CBSE/ CICSE/etc) with 70%+ (valid 7 years)
- Digilocker verification and Admit Card ID required
