

Rethinking what peace means

A new conceptual map

- **Passive vs Active**
- **Negative vs Positive**
- **Conflict transformation vs Social Transformation**
- **Statebuilding vs Peacebuilding**
- **Political peace process vs Social peace process**

Implications for Northern Ireland

- **Institution building to neglect of social peace**
- **Absence of healing, reconciliation, respect**
- **Refighting morality of the past**
- **Pathological obsession with the past**
- **Neglect of moral vision of shared future**

What then the future?

- **Empower civil society**
- **Liberalism of the young**
