## **ONE OF THE UK'S LEADING BUSINESS SCHOOLS**

### **A HIGH-TECH BUSINESS SCHOOL**

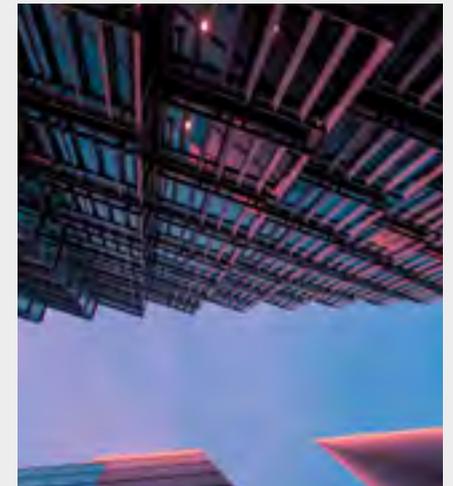

The Queen's Business School (QBS) campus encompasses a contemporary high-tech Business School, a Postgraduate and Executive Education Centre, and a stunning new Student Hub.

### **FINTRU TRADING ROOM**

QBS has one of the largest trading rooms of any university in the UK or Ireland, which is a game changer when it comes to graduate employability. Students have access to Bloomberg software, a market leader in financial news, data and analytics, which is used by many financial institutions. Students may join the Queen's Student Managed Fund (QSMF) for a unique opportunity to manage a real money investment portfolio of £70,000.

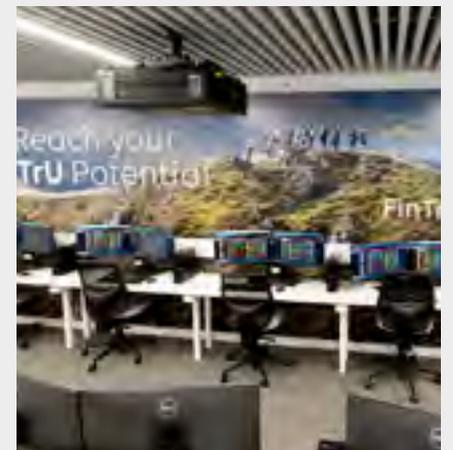

### **INDUSTRY ENGAGEMENT AND CAREER FOCUS**

Belfast has become a significant hub for global firms with over 1,000 global companies having a presence in the city. QBS leverages strong links with companies to support students with employability, careers fairs, guest lectures, case studies etc. A Postgraduate Employability Programme is open to all QBS students and develops core employability skills through interactive workshops and employer presentations.

### **TRIPLE ASSURED QUALITY**

The Business School is triple accredited by AACSB, AMBA, and EQUIS - joining the top 1% of business schools globally. A member of the Global Business School Network, the School is connected through strategic partnerships across the world and is globally renowned for high-impact academic and policy research with close links to industry.
