2

International
Summer Schools

1. Conflict Transformation- Mitchell Institute
2. Irish Studies- Institute of Irish Studies

+ Poetry Summer School run by Heaney Centre
(1 week, capped to 12)

Summer Schools and Recruitment

Why do Universities run summer schools? Polling from EAIE

1. To build University profile overseas
2. For income generation
- 3. For student recruitment**

Summer Schools are a key channel for full degree recruitment:

- They provide a taster of academic programmes
- They provide participants with an experience of student life
- They allow partnerships to deepen between institutions
