

## EMPLOYABILITY LAUNCHPAD

Kickstart your employability skills with Queen's Graduate School, where Thinkers, Leaders, Communicators and Innovators who are Future-Ready are nurtured.

Congratulations on securing your place on a Master's programme at Queen's University Belfast. You've taken the first step on your path to future success. Completing a Master's degree at Queen's will set you apart in a globally competitive job market, because in your rapidly changing world, we provide not only subject expertise, but also professional skills which will future-proof you for any sector. The 'Employability Launchpad' Programme will give you a headstart, so join us on a 10-week programme which will equip you with skills you need to adapt with agility to a world where it is no longer 'business as usual'.

INNOVATORS

LEADERS

COMMUNICATORS

THINKERS

FUTURE-READY

This programme is designed to provide you with the fundamentals of your employability toolkit. You'll build a network of peers and before you join us in person in Belfast, you'll have developed a personal and professional development plan, and there's an opportunity to win a scholarship to complete an internationally recognised professional qualification alongside your Master's degree: the CMI Level 7 Certificate in Strategic Leadership and Project Management [managers.org.uk](https://managers.org.uk)

We look forward to meeting you at the Graduate School, the gateway to your postgraduate journey and to your future success!

## THE PROGRAMME

The programme will be offered to Master's students who are due to start their course at Queen's in the next January intake. It will be delivered virtually between September and December 2020.

## PROGRESSION AND RECOGNITION

All students who complete the programme will be recognised through the award of a Graduate Plus accreditation.

**Queen's was ranked 1st out of the top 100 UK universities for its Entrepreneurial Impact Ranking** (Octopus Ventures, 2019)

Progression routes are available into a wide range of other programmes such as Master Your Leadership, CMI Level 7 modules and IMPACT: Social Innovation. The Graduate School will provide you with a roadmap into these and other opportunities when you arrive in Belfast in January 2021.
