**Providing access to connections,
thought leadership, innovation and research**

The Chief Executives' Club at Queen's University Belfast (CEC) offers valuable opportunities for high level networking between members.

The CEC was established in 1991 to strengthen links between higher education and the business community. Bringing in leading experts in a range of fields as guest speakers, CEC events help to keep you up-to-date on new and emerging trends. Membership also facilitates access across Queen's University and to its international networks and research strengths.

Our members comprise leaders from a wide range of businesses; private, public, charity and social enterprise organisations; higher education; plus successful entrepreneurs.

What can the CEC offer you?

- High calibre, regular business and networking events - early morning, lunchtime and evening.
- Exclusive access to high level dinners after events.
- Access to national and international thought leaders as speakers, and a forum for informed debate on topical issues.
- Priority invitations to a range of prestigious University lectures and conferences.
- Access to Queen's University academic subject experts and their research.
