

## CONFIRMATION OF ACCEPTANCE FOR STUDIES (CAS) ASSESSMENT FORM

**\*All students that need to apply for a Student visa (formerly Tier 4) will require a CAS from the University. This form must be completed and returned to the University for assessment before a CAS will be assigned. \***

**PLEASE ENSURE YOU COMPLETE THE DECLARATION AND SIGN THE FORM**

UK Visas and Immigration (UKVI) requires UK universities to ask all international applicants if they have previously studied in the UK and to confirm academic progression, where an applicant is seeking to study a course having previously completed (or is currently completing) another course at the same academic level within the UK. Study at the same academic level as a previous course is permitted only under certain circumstances, which are listed in **Section C** below.

Furthermore, in order to make a full and proper assessment of eligibility for a Student visa, UKVI also requires universities to gather information relating to immigration and criminal history (**Section D** below). Please complete the following form, providing full details in the boxes provided, and return the form as soon as possible to [cas.info@qub.ac.uk](mailto:cas.info@qub.ac.uk)
