Study Number: Trust R&D Ref: 09069PP-OPMS REC Ref: 10/NIR01/5 IRAS ID: 40972

Participant Identification Number for this trial::

CONSULTEE DECLARATION FORM

Title of Project: Predicting the risk of postoperative delirium: Use of neuropsychology, serum and CSF biomarkers and genetics to predict risk of post-operative delirium – follow up of study participants

Principal Investigator: Professor David Beverland

Lead Researcher: Dr Emma Louise Cunningham

Please initial box

I [name of consultee] have been consulted about [name of potential participant]’s participation in this research project. I have had the opportunity to ask questions about the study and understand what is involved.

In my opinion he/she would have no objection to taking part in the above study.

I understand that I can request he/she is withdrawn from the study at any time, without giving any reason and without his/her care or legal rights being affected.

I understand that relevant sections of his/her care record and data collected during the study may be looked at by responsible individuals from Belfast Trust and/or Queen’s University Belfast or from regulatory authorities, where it is relevant to their taking part in this research.

I agree to their GP or other care professional being informed of their participation in the study.
