

# ABOUT CANCER REGISTRATION

## DO YOU KNOW THAT AS A CANCER PATIENT YOUR INFORMATION CAN HELP:

- Understand the causes of cancer and best treatments
- Plan and improve cancer services
- Measure cancer patients' care
- Monitor changing cancer levels in Northern Ireland since 1993
- Find out about cancer risk

Information is collected and managed confidentially by the medically led N. Ireland Cancer Registry

Pick up a Patient Information Leaflet to learn more or visit the Cancer Registry website: [www.qub.ac.uk/nicr](http://www.qub.ac.uk/nicr)
