

**QUEEN'S
UNIVERSITY
BELFAST**

Know Your Enemy

**Disease-
Focused
Research
at Queen's**

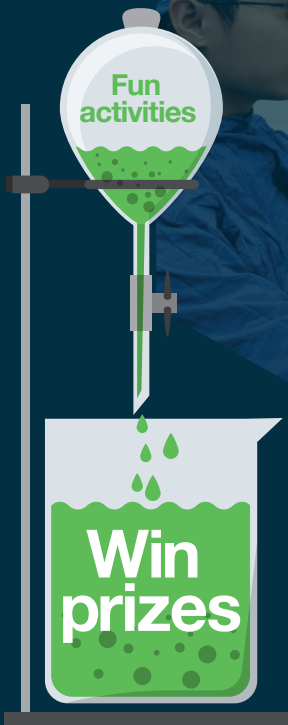

Meet the researchers who are making medicine work for you. Hands-on experiments and demonstrations will be shown in a range of disease areas.

**Sat Feb 16th 2019
1-5 pm**

Wellcome-Wolfson Institute for Experimental Medicine
Queen's University Belfast
97 Lisburn Road, BT9 7AE
Tel: 028-9097-1643
Email: wwiem@qub.ac.uk

**Hot topic
debates**

Come and meet some of our leading medical researchers making exciting discoveries in a range of disease areas:

- **The Cardiovascular System**
- **The Brain and Multiple Sclerosis**
- **Bad Bugs and the Body**
- Bacteria and Viruses
- **Lung Diseases - Chronic Obstructive Pulmonary Disease, Cystic Fibrosis, Asthma**

<http://go.qub.ac.uk/WWIEM-NISF2019>

**Dissections
in Gory
Corner**

**Prizes
to be
won!**

**Crawl
through
arteries
and
veins!**

**Demonstrations
and hands-on
activities**
