Salters' Festival of Chemistry
May 25th 2016

The School of Chemistry and Chemical Engineering

David Keir Building
Queen's University of Belfast

Welcome to the School of Chemistry and Chemical Engineering. We hope you will have an enjoyable and interesting day.

The Salters' Festivals of Chemistry is an initiative of the Salters' Institute, whose aim is to promote the appreciation of chemistry and related sciences amongst the young. The Institute is delighted that the Royal Society of Chemistry is working in partnership with us again this year. This Salters' Festival of Chemistry is one of fifty Festivals which are taking place at Universities and Colleges throughout the UK and Ireland between March and June 2016.
