NEWS

Thanks to our UG School Rep, Lucy O'Rawe, for organising a super Movie Night in November. There was a great turnout for Good Will Hunting.

November's Board Game Social took place in the Level 2 Social Interaction Area of Main Physics. This time it was opened up to all Level 4, PGT and PGR students.

Congratulations to **Cameron Ramsey** from the School of Mathematics and Physics who was awarded the prestigious undergraduate **Hamilton Prize in Mathematics** by the Royal Irish Academy. This year's prize was presented by the 2025 Hamilton Speaker, Nobel Laureate Professor Kip Thorne. Kip Thorne was awarded the 2017 Nobel Prize for his contributions to the study of gravitational waves. He also served as the science advisor for Christopher Nolan's 2014 film, *Interstellar*. The School is delighted to see Cameron's achievements being recognised. Well done Cameron!

REPORT & SUPPORT!!

QUB is committed to support students affected by either BULLYING, DOMESTIC ABUSE, HARASSMENT, HATE CRIME, ONLINE ABUSE, SCAMS, SPIKING & SEXUAL MISCONDUCT.

If you have been affected, don't stay silent. Please report and get support using the QR code here.
