Masteralase	Names	Date
Masterclass	Name 2014	Date
Data Collection and Analysis	Dr Carmel Kelly	17 January 2014
Systematic literature searching	Dr Fiona Lynn	21 February 2014
techniques	DI HONG LYIIII	2110010diy 2014
Systematic Reviewing	Dr Jenny McGaughey	21 March 2014
Mixed Methods Research	Prof Kevin Brazil	11 April 2014
Randomised Control Trials	Dr Gillian Prue	16 May 2014
Philosophical underpinnings of research approaches & paradigms	Dr Peter O'Halloran	15 October 2014
Qualitative Interviewing	Dr Lynne Lohfeld	22 October 2014
Challenges of longitudinal cohort	Dr Ruth Grunau	19 November 2014
studies	University of British Columbia	
Qualitative Methodology in	Prof Peter Hudson	17 December 2014
researching end of life care	Give Melbourne university	
	2015	
Quantitative Analytical Techniques	Dr Oliver Perra	21 January 2015
Qualitative Analytical Techniques	Dr Dorry McLaughlin	18 February 2015
Practicalities of undertaking research e.g. how to increase response rates conducting creative interviews	Dr Gillian Carter	25 March 2015
Qualitative Research including grounded theory, ethnography and discourse analysis	Prof Joanne Reid	15 April 2015
Exploring the Link Between Offending Behaviour and Traumatic Brain Injury	Dr Audrey McKinlay	22 September 2015
Simulation: a novel way of teaching end of life care to undergraduate nursing and medical students	Dr Claire Lewis	20 October 2015
Gatekeeper Experiences	Dr Tracey McConnell	20 May 2015
Use of Social networking such as twitter etc in research	Dr Emma McAllister	17 June 2015
Outcome Measures in Palliative Care: What works?	Dr Fliss Murtagh	19 November 2015
	2016	
Ethics	Dr Oliver Perra/Louise Dunlop	25 January 2016
Linking Arts in Medicine – Nursing: Interprofessional Collaborations	Ms Jenny Baxley Lee	19 May 2016
	2017	
Ethics	Dr Oliver Perra/Louise Dunlop	15 February 2017
Protocol Development	Dr Aine Aventin	6 March 2017

QUB Mental Health Initiatives	Ms Deirdre O'Neill	20 May 2019
Mixed Methods Research	Prof Alicia O'Cathain	28 May 2019
Qualitative Interviewing Workshop	Dr Iseult Wilson	18 June 2019
Feasibility Randomised Controlled Trials	Dr Lei Clifton	20 June 2019
Grounded Theory	Dr Gary Mitchell	10 July 2019
PhD and Viva Roundtable	Prof Joanne Reid/Dr Clare McKeaveney	18 September 2019
The Basics of Economic Evaluations of Healthcare Interventions	Dr Fiona Lynn	25 September 2019

Other PhD/Post Doc events 2014 – present

Event	Date
Postgraduate Research Conference	29 January 2014
You Only Die Once: An End of Life Discussion	12 November 2014
Cochrane Conference	23 January 2015
Introduction to Stata	17 June – 19 June 2015
Impact workshop	June 2015
Dr Clare McVeigh - "The experience of palliative care service provision for people with non-malignant respiratory disease and their family carers:an international perspective"	17 November 2016
Cochrane Conference	10 June 2016
NICRF Seminar	20 October 2016
NIHR Funding Workshop	28 September 2016
Palliative Care and Chronic Illness Sandbox	27 April 2016
Doctoral and Post-Doctoral Research Showcase	21 September 2016
Post Doc Lunch	28 April 2016
Dr Gail Ewing - "The Carer Support Needs Assessment Tool: A person-centred approach to carer assessment and support within palliative care"	25 September 2017
Annual Dufferin Lecture on Palliative Care	1 June 2017
Palliative Medicine Seminar	29 March 2017
Psychosocial interventions seminar	31 May 2017
Doctoral and Post-Doctoral Research Showcase	13 September 2017
Annual Dufferin Lecture on Palliative Care	27 April 2018

School Research and Scholarly Activity Away Day	17 December 2018
Doctoral and Post-Doctoral Research Showcase	11 December 2018
Inaugural Doctoral Collaborative Conference	2 May 2019
Growing Older with Cerebral Palsy and Women's Health – Dr Sonali Shah	11 September 2019
Doctoral and Post-Doctoral Research Showcase	9 December 2019
