Whitla Hall, 11.30 am

Collection of welcome packs

Room MG12/13 School of Pharmacy, 2–5 pm

TUESDAY 19 SEPT

School of Pharmacy Lecture Theatre, 2.00–4.00 pm

Health & safety

Essential information on health and safety issues within the School of Pharmacy.

Here to help

An opportunity to meet the Advisors of Studies and learn about the personal tutor system.

Meet your tutor

Every student in the School is assigned a personal tutor, who will help support your academic development. This is your first chance to meet up with your tutor.

Tour of the School

This guided tour of the School by current students will help you find the various lecture and laboratory venues that will be used for your classes.

WEDNESDAY 20 SEPT

University life

School of Pharmacy Lecture Theatre, 10.00 am

All you ever needed to know about University life ... and more! This is your opportunity to meet and chat with current Pharmacy and Pharmaceutical Science students. We'll offer you guidance on important issues, including how to access lecture material via Queen's Online (QOL), the School's 'Buddy' system, and information from the Students' Union.

THURSDAY 21 SEPT

Where Do I Find...?

Biomedical Library, Medical Biology Centre (MBC)

Tours at 9.30, 10.00, 10.30, 11.00 and 11.30 am

The School librarian will introduce you to the University library facilities, including the wide range of electronic resources and the student computer centres.
